I am deeply grateful to my guide, Dr. K. Ramachandran, Professor of Economics and Director, Pondicherry University Community College, Pondicherry. His guidance has helped me in planning the research, collecting the reference material, planning the econometric and empirical studies and analyzing the results. I also thank Prof. Sham Bhat, Reader i/c, of the Department of Economics, Pondicherry University for his help and suggestions.

I thank the Government of Tamilnadu for having kindly accorded permission to me to register for the Ph D., programme and granted access to material regarding Hill Area Development Programme in the Nilgiris. The Planning and Development Department, Department of Evaluation and Applied Research and the Department of Economics and Statistics of the Government of Tamil Nadu, Collectorate and the HADP cell of the Nilgiris District in Ootacazmund, INCOSERVE, Tea Board, TANTEA and UPASI in Coonoor have provided valuable information so have officers of many Departments in the Nilgiris District.

I wish to record with gratitude the help received from the following persons in obtaining the data, processing the information and completing data entry, word processing and preparation of the report:
