ACKNOWLEDGEMENT

The present study of mine is based on the problem of Non-Performing Assets; it has become a very chronic problem for banking sector and the financial institutions. There are 24 banks selected from all the eight district of Marathwada Region for the purpose of study.

This research work is a synergistic product of few minds; let me first thank Almighty ALLAH for completing this assignment. My sincere thank to my beloved mother for her blessings and best wishes. I am also thankful to my spouse and children for their affection, support and co-operation.

At the outset I would like to express my gratitude to the Honorable, Padmashri Madam Fatma Rafiq Zakaria for her inspiration and reiteration to pursue higher studies. I very often heard her saying that, it was Late Dr. Rafiq Zakaria Sahab’s (our Mentor) wish to see persons with Ph.D. degrees on the campus at every square inch. In order to promote and encourage research among the faculty members, Honorable Madam has provided all the infrastructure required by making available computer laboratories with internet, library books, magazines and periodicals etc. This will help to inculcate the habit of reading and writing that will ultimately lead to undertake research.

With immense pleasure I would like to acknowledge my sincere thanks to my worthy guide Dr. M. Razaullah Khan, Associate Professor, Department of Commerce and Management Science, Maulana Azad College, Aurangabad for extending whole hearted support and adequate inputs to complete this research work ready with his holistic approach, everlasting spirit of sincerity and determination, hard work and encouragement, which has helped me to convert my dream into a reality.

I am deeply indebted to Dr. Maqdoom Farooqui, the Principal, Maulana Azad College of Arts, Science and Commerce, Aurangabad and must thank him as he has been remained an advising, inspiring and guiding force.

I express my heartfelt thanks to Dr. S. A. Mannan, HOD Commerce and Management Science, Maulana Azad College, Aurangabad for his support, allowing me free access and to utilize computer laboratory, Departmental library books etc.
I offer my sincere thanks to my friend and colleague Dr. Khan M. Sanaullah for his valuable suggestions in technical and other aspects during my research. I thank Mr. Md. Aijaz for his constant encouragement.

I would like to thank Dr. I.M. Farooqui, Dr. A.B. Bhonde, Mr. Maqdoom Ahmed, Qudri Syed Naim, Ms. Lubna Siddiqui, Ayesha Sultana, Mr. Khan Sameer for their timely help. I thank Mr. Syed Wajahat Ali and Mr. Shaikh Saleem for providing me technical assistance and Non-Teaching staff of the Department for their help.

My sincere thanks to all the senior faculties of the campus specially Dr. M. A. Shakoor (Vice-Principal), Dr. Gulam Rabbni (HOD Electronics), M.A. Mannan (Librarian) and M. Younis.

I would like to thank The Deputy Registrar of Co-operatives of Aurangabad and Latur Division, District Deputy Registrar of Aurangabad, Jalna, Hingoli, Parbhani, Latur, Beed, Osmanabad and Nanded and to all the bank managers and staff of co-operative banks who have provided me with Annual Reports of their respective banks, needed information in the course of interaction as and when I happen to visit them.

Finally a very big thank you to one and all who have shared and supported me in providing constructive and valuable suggestions directly and indirectly.

Hasvi Khairul Makeen.
