ACKNOWLEDGEMENT

During my research study, I have received the encouragement and help from many academicians, professionals, friends and institutions. I am beholden all of them.

Here are a few lines to express my gratitude towards them.

_I express my deep sense of gratitude towards Dr. Anand G. Jumle for his valuable guidance his Incisive comments and thought provoking suggestions have enriched my work._

_This work is basically a work of theorization. Such work needs direction and straightening of thoughts for the purpose of conceptual and definitional clarity. Similarly, such theorization needs very concrete frame. Dr. Subhash Bhave and Dr. N. M. Vechalekar contributed immensely by accepting me unconditionally. We conducted a series of discussions from time to time, which enabled me to see the theses in proper perspective of the research dimensions._

I would like to express my special thanks to Dr. Amod D. Markale, Director of Dnyanganga Institute of Career Empowerment & Research, Pune, for his continuous motivation as well as elderly and experienced advice. _In fact he is my Mentor and Guru at every stage of my academic career and even these lines shall fall short to express my gratitude in its fullest sense._

I also thank Mr. Mandar Joshi, Manager of CMIE Prowees, Pune for providing valuable reference material and data required for the research work.

I extend my sincere thanks to Shri. Sambhaji M. Katkar, Founder Director & Chairman, Zeal Education Society, Pune.

_This study would not have been a reality without the constant encouragement of my father Shri. Narayan B. Mahamuni and my beloved mother Sou. Padma N. Mahamuni, who are the backbones of the sources of energy are responsible for this outcome of their unceasing efforts and value system. Mere mention of them is just a small fraction of the gratitude, as I owe them unlimitedly for my education and to shape me as a good human being. Throughout the course of this work I received very encouraging support from them. They were my true source of energy. I am_
extremely thankful to my wife Mrs. Priyanka P. Mahamuni for her constant motivation, support and the impetus to work towards goal accomplishment.

There are many others whom I am indebted and to make things short I thank Dr. Ashok Ranade, Dr. Yashwant Vaishampayan, Prof. Santosh Apte, Prof. Rajnish Mishra, and the staff of Dnyanganga Institute of Career Empowerment & Research, Pune for their support.
