ACKNOWLEDGEMENT

The author gratefully acknowledges his indebtedness to Dr. A.D. Kapur, Professor in Mechanical Engineering Department, Punjab Engineering College, Chandigarh, for providing valuable and inspiring guidance throughout the course of this work.

The author expresses deep gratitude to Dr. V.P. Vasandani, Professor and Head of Mechanical Engineering Department, Punjab Engineering College, Chandigarh, for taking a keen interest in the work and providing all the requisite facilities.

Sincere thanks are due to Dr. O.S. Sehgal, Principal, Punjab Engineering College, Chandigarh, for his encouragement and kind permission to avail of the computation facilities extensively at the Regional Computer Centre, Chandigarh.

Thanks are due to Professor B.C. Nakra for his valuable suggestions and for his help in utilizing certain facilities at Indian Institute of Technology, Delhi.

Finally, the author expresses his deepest appreciation of the patience and understanding shown by his near and dear ones, without whose cooperation this work would not have been completed.
