ACKNOWLEDGEMENT

The completion of this thesis has been a long journey during which I received a lot of encouragement, co-operation and help from all.

I am very fortunate to have Prof. (Dr.) Kulwant Gill as my guide and mentor. Prof. Kulwant Gill took extra pains to read and then re-read my work a number of times and gave me constructive guidance in manifold ways. Her minute observations have helped me in perfecting my thesis. She has rendered invaluable support and advice to me in the preparation and writing of this thesis. Despite her ever increasing academic and other responsibilities, she has been an unfailing reservoir of encouragement to me.

The greatest source of inspiration was my dearest husband Sawinder Singh who pushed and encouraged me to complete my work. I shall be eternally grateful for his love and support as he wiped my tears in weak moments and raised my hopes to excel and achieve my academic goal. Had he not been a part of my life this thesis would not have seen light of the day.

I shall be grateful to my mother-in-law Mrs. Rani and my father-in-law Mr. Gurbachan Singh and all my sisters-in-law for the important role they played in my life. I would like to record my appreciation of their constant support and words of wisdom which helped me in difficult times.

It gives me immense pleasure to express my gratitude to Dr. Anjana Kakkar, Principal Army Institute of Law for her guidance, support and blessings. I am thankful to all my colleagues at Army Institute of Law for their goodwill.

I am thankful to Prof. Veer Singh and Prof. G.I.S. Sandhu for their encouraging words.
I acknowledge my sincere thanks to Mrs. Harjinder Kaur and all members of the library staff at Army Institute of Law for their valuable help in collecting the material. I am also thankful to all members of the A.C. Joshi Library for their help in searching for the appropriate books and journals.

I wish to express my appreciation for expeditious and meticulous composition of manuscript by Mr. Dina Nath Ji of M/s Harbans Reprographic Aids, Panjab University Campus.

I am indebted to my parents Col. Balbir Singh and Mrs. Balwinder Kaur who have always been my pillars of strength for their patience, blessings and suffering silently in the hope that this work sees the light of the day. I fondly acknowledge the inspiration given by my dear brother Capt. Sher Amir Singh for his silent prayers.

Last but not the least, I would like to place on record the presence of an angel in my life, Simranjit Kaur (Vimmy) who has painstakingly been my right hand. I shall forever be grateful to God for giving me such a niece who has been so giving, wise and encouraging. I shall forever be indebted to her.

I would also like to thank my children Ashley and Joy for their innocent questions which inspired me to complete my work. And of course nothing could ever be achieved without the almighty “Wahe Guru’s” blessings to whom I pay my humble regards.

Kamal Ji Kaur
