ACKNOWLEDGEMENTS

At the very outset, I take the privilege to express my deep sense of gratitude towards the supervisor, Professor J. R. Dheer (Retd.), Former Chairman and Dean, Faculty of Education, Kurukshetra University, Kurukshetra for his valuable guidance and constructive suggestions. He always encouraged me and has been an immense source of inspiration in carrying out this arduous task right from the conception to its completion.

This research thesis could not have been possible without kind and unstinting guidance of my esteemed Co-Supervisor Professor Rajender Singh Yadav, Chairman, Department of Education, Kurukshetra University, Kurukshetra. I sincerely express my gratitude for his generous support for facilitating access to the research support available in the Department of Education.

My sincere thanks are due to Prof. O. P. Gahlawat, Dean, Faculty of Education and all the faculty members of the Department of Education, Kurukshetra University, Kurukshetra for their sincere cooperation and valuable suggestions at all the stages. I am also grateful to all the non-teaching staff of the Department for their co-operation.

I am especially thankful to Dr. B. S. Yadav, Principal, University College of Education, Kurukshetra University, Kurukshetra and Prof. Shamsher Singh (Retd.), Former Chairman and Dean, Faculty of Education, CDLU, Sirsa for their kind co-operation, academic guidance and support.

I am also thankful to all the SSA Officials of District Yamuna Nagar, Sirsa and Panipat and Educational Volunteers, community members and parents of the children studying in Alternative Schools of those districts from where the data for the present study was collected.
Their number is too large to be mentioned individually here but they shall ever be remembered for the help and co-operation.

I also owe my thanks to the library staff of NUEPA and NCERT, New Delhi, Punjab University, Chandigarh, CDLU, Sirsa and Kurukshetra University, Kurukshetra for their kind co-operation and help.

I want to express my sincerity and gratitude towards my colleagues Dr. Nivedita, Dr. Vandana, Dr. Ranjit Kaur and Dr. Meena, Department of Education, CDLU, Sirsa for their co-operation.

I want to express my sincerity and gratitude towards my friends especially Dr. S. Kundu, Dr. Sanjeet, Dr. Sanjiv Kumar, Dalwinder, Shyam, Budh Singh, Jasmer, Sunil, Devender, Rajesh, Angrej, Jai and Vinod for their sincere company and help they provided me at the time of need.

I am profoundly indebted to my parents, my brothers and bhabhies for their love, affection and blessings, which have always worked as a standing impetus in the completion of this research work. I also express my feelings and loving appreciation towards my wife, Sushila and son, Terrence, who helped me to devote time and energy to this study.

In the end, I thank Mr. Mohinder Singh for typing the script of this thesis.

The necessary caveat stands: I alone am to blame for the flaws and deficiencies in this work.
