ACKNOWLEDGEMENTS

I express my sincere thanks, deep gratitude and indebtedness to Dr. (Miss) Sudesh Gakhar, Professor, Department of Education, Panjab University, Chandigarh, whose inspiration, encouragement, scholarly guidance, painstaking efforts and deep insight into the problem have been of immense value in the completion of this study. The affection she bestowed on me and the experience of working with her shall always remain fresh in my mind.

This study was an effort that required the aid and support of variety of people.

I take pleasure in expressing my thanks to Prof. (Mrs.) Tehal Kohli Chairperson, Department of Education, Panjab University, Chandigarh and Dr. Mrs. Usha Dhawal, Principal, Govt. Home Science College, Chandigarh and Chairperson , Research Degree Committee, Home Science, Punjab University, Chandigarh for providing invaluable help and access to facilities for the study.

A grateful acknowledgement is made to Dr. Behl, Director, Computer Centre, Panjab University, Chandigarh for providing technical insight into the Data Processing and Management. My thanks are due also to Mr. Mahendru who helped in analyzing and computation of data. Prof. Pyare Lal (Retd.) Lect. Regional Institution of English, Chandigarh deserves my special thanks for going through the manuscript and help in improving the expression. Mr. J.L. Bajaj of Geometric Photographies, Sec-37C, extended his generous assistance in improving the presentation. My special thanks are due to the students who acted as subjects during the study and cooperated by providing their valuable response which forms the foundation of this study.

I also place on record my thanks to the Principals of Govt. Model Schools of Chandigarh who gave their constant for conducting the study and providing cooperation and help in collection of data.

The present study fulfills the cherished dream of my father who prayed and wished the study be complete during his life time. The blessing of my inlaws sustained me through the process of completing this study. My husband, daughter Tamanna and son Loch deserve my gratitude for extending ungrudging support, morale boosting, pep-talk and cooperation throughout the execution and writing of the present work.
