ACKNOWLEDGEMENTS

Words are often too frail to express one’s inward emotions of ineffable indebtedness. The same perplexity haunts me in irking down my deep sense of gratitude and admiration towards my venerable guide, Dr. Narender Gupta, former Professor of Law, Department of Laws, Panjab University, Chandigarh, who not only has introduced me to the field of research but also consistently encouraged me with adroit guidance and constructive criticism to prepare the present work. I take this opportunity to express my deep sense of gratitude and indebtedness to a humble guide, teacher & benefactor, Dr. Shalini Marwaha, Reader, Department of Laws, Panjab University, Chandigarh whose help, encouragement and constant criticism kept my morale high during my work.

I express my special thanks to Prof Shashi K. Sharma, Chairman, Department of Laws, Panjab University, Chandigarh for providing me all necessary facilities and moral support to carry out this project. I appreciate the cooperation extended by the Library staff and Librarians of Army Institute of Law and Department of Laws, Panjab University.

I am greatly thankful to Prof G. I. S Sandhu, Department of Laws, Punjabi University, Patiala for his valuable suggestions, guidance and encouragement. I wish to express my special thanks to Dr. Anjana Kakkar, Principal, Army Institute of Law, Mohali and all other faculty of AIL for encouraging me for the completion of the work.

It would be a remiss, if I do not appreciate the friendly and helping nature of my husband, Gurinderjit, without whose constant support and encouragement throughout my research work, the present study could not have been possible. I also extend heartfelt thanks to my friends Amita Verma, Nishu, Anju and Mamta for their timely help and guidance, whenever and wherever needed. My ardent gratitude to all of my cherished and treasured friends for making the time memorable, with lots of sweet reminiscences to look back at.
Above all I like to give my deepest thanks to my mother whose instillation of sound moral values and whose non-judgmental parenting style fostered independence that has made my success possible. Words have no power to express my regard and gratitude to my ‘Father’. Special thanks to my dear sisters, Harpreet and Sukhpreet and, brother Jagpreet for their unending love and concern.

I express my deepest sense of gratitude to the Almighty, whose abundant grace and mercy has enabled me to do this project.
