ACKNOWLEDGEMENTS

It gives me immense pleasure to convey my sincere thanks and deep sense of gratitude to my esteemed and worthy supervisor Dr. O.P. Sahni, Dean, Punjab College of Technical Education, Baddowal, Ludhiana, for his inspiring guidance, valuable suggestions, constructive criticisms and keen interest throughout the period of the study leading to my successfully completing this Research work.

My special thanks to Wing Commander Gill, Sir, the Chairman and founder of the Punjab College of Technical Education, Group of Institutes, for giving me the opportunity to carry out this research work. I feel very obliged to express my gratitude to Dr. K.N.S Kang, the Director General, PCTE Group of Institutes, for initiating the programme and granting me the opportunity to carry out my Research work in India. I wish to also thank him for the advice and the motivation he gave me during this period.
I am deeply grateful to Mr. Gurpreet Gill for his wonderful help accorded me during the period of this Research.

I am extremely grateful to Madam Harpreet Kang, Deputy Dean, Punjab College of Technical Education for taking great pains to read through my work and also offering me valuable advice.

I am deeply indebted to Mr. and Mrs. Pavitar Prakash (P.P) Singh for the counseling and encouragement during this period.

I am also profoundly indebted to Dr. Sandhir Sharma, Former Deputy Dean, Punjab College of Technical Education for his great help during the course of the Research, he provided me valuable advice.

I am very grateful to Mr. Pankaj Sharma, senior lecturer Punjab College of Technical Education for all the help accorded to me during the period of my Research.

I wish to express my thanks to all my colleagues in the PCTE family.
I wish to express my profound thanks to Professor V. K. Titanji, Vice Chancellor of the University of Buea, Cameroon for the opportunity granted to me to carry out this Research work.

I am heavily indebted to my beloved wife, Mrs. Veronica Ika Visemih who provided inspiration and morale support to carry out this Research work. I am also very thankful to my children, Janice Visemih, Kimberly Visemih, Glen Visemih, Terencia Muffee and Solange Muffee, who I had to abandon in order to carry out this Research work.
