LIST OF FIGURES

**Fig. No.**  **Between**  **Pages**

**Fig. 3.1.** Conceptual Model for path analysis...32-33.
**Fig. 3.2.** Nature of Work of the Respondents 38-39.
**Fig. 4.1.** Distribution of Respondents on the basis of Pay Scale.............45-46.
**Fig. 4.2.** Distribution of Respondents on the basis of Area of Specialisation....45-46.
**Fig. 4.3.** Distribution of Respondents on the basis of age..................46-47.
**Fig. 4.4.** Distribution of Respondents on the basis of experience...............46-47.
**Fig. 4.5.** Distribution of the Respondents according to educational level......47-48.
**Fig. 4.6.** Distribution of Respondents on the basis of time spent on the job......47-48.
**Fig. 4.7.** Distribution of Respondents on the Job Satisfaction Scale.............47-48.
**Fig. 4.8.** Performance of the Respondents on the Rationality in the Selection of Research Problem..................48-49.
**Fig. 4.9.** Performance of the Respondents on Sources of Selection of Research Problem..................48-49.
**Fig. 4.10.** Distribution of Respondents on the basis of Publication Performance......49-50.
**Fig. 4.10a** Mean Performance of the Respondents on Personal Traits................49-50.
**Fig. 4.11** Direct & Indirect effects of some personal traits of Respondents on job satisfaction................85-86.
Fig. 4.12. Direct & Indirect effect of some personal traits of Researchers on job satisfaction...87-88.

Fig. 4.13. Direct & Indirect effect of some personal traits of teachers on Job satisfaction......88-89.

Fig. 4.14. Direct & Indirect effect of some personal traits of extension workers on job satisfaction..............................91-92.

Fig. 4.14a Mean job satisfaction performance of the Respondents.........................................................91-92.

Fig. 4.15. Direct & Indirect effect of some personal traits and job satisfaction variables of Respondents on Rationality in selection of Research problem..............................................................93-94.

Fig. 4.16. Direct & Indirect effect of some personal traits and job satisfaction variables of Researchers on Rationality in selection of Research Problem.........................................................97-98.

Fig. 4.17. Direct & Indirect effect of some personal traits and job satisfaction variables of Teachers on Rationality in Selection of Research Problem.........................................................101-102.

Fig. 4.18. Direct & Indirect effect of some personal traits and job satisfaction variables of Extension workers on Rationality in selection of Research Problem.................104-105.

Fig. 4.19. Direct & Indirect effect of personal traits and job satisfaction variables of Respondents on sources of Selection of Research Problem based on path coefficient.................108-109.

Fig. 4.20. Direct & Indirect effect of personal and job satisfaction variables of Researchers on Sources of Selection of Research Problem based on path coefficient.................111-112.

Fig. 4.21. Direct & Indirect effect of some personal traits and job satisfaction variables of Teachers on Sources of Selection of Research Problem based on path coefficient.................114-115.
Fig. 4.22 Direct & Indirect effect of some personal and job satisfaction variables of Extension workers on Sources of Selection of Research Problem based on path coefficient.................. 117-118.

Fig. 4.23. Direct & Indirect effect of some personal traits and job satisfaction variables of Respondents on Publication Performance.................. 120-121.

Fig. 4.24. Direct & Indirect effect of some personal traits and job satisfaction variables of Researchers on Publication Performance.................. 123-124.

Fig. 4.25. Direct & Indirect effect of some personal traits and job satisfaction variables of Teachers on Publication Performance.................. 125-126.

Fig. 4.26. Direct & Indirect effect of some personal traits and job satisfaction variables of Extension Workers on Publication Performance.................. 129-130.

Fig. 4.26a Mean Research Performance of the Respondents..... 132-133.
