First and foremost I am exceedingly indebted to pay thanks to Almighty ALLAH who bestowed me with such courage, aspiration, patience, sound health and whatever was needed to select this course and with whose blessings I completed it within a stipulated time period.

It is my proud privilege to express gigantic gratitude to my erudite supervisor Prof. Mahmood Ahmad Khan, who with his great quality of humanity and honesty invested his precious time and effort in helping and guiding me in carrying on this course. His fatherly attitude, sagacious guidance, critical appraisal and ample cooperation made it easy for me to accomplish the task. He is in fact the person who deserves more thanks than words can express.

I have the privilege to extend my sincere thanks to Prof. Nighat Basu, Head & Dean, Faculty of Education, for her encouragement, sincere suggestions and help during the completion of this thesis.

My sincere thanks are also due to all my teachers in the department like Prof. N.A. Nadeem, Prof. G.M. Malik, Dr. M.Y. Ganie, Dr. M.I. Matoo, Dr. Tasleema Jan, Dr. Amina Parveen and Dr. Najma Peerzada for their support, encouragement and timely help in various ways that they provided me during the programme. I can’t forget to pay my sincere thanks to Prof. F.M.Shayiq (my inspirational teacher and mentor) at college level for his valuable suggestions, guidance and fatherly attitude which played great role to make me self-reliant in carrying on this research work.

I am highly indebted to pay thanks to the jury of experts namely Prof. A.G. Madhosh, Prof. M. A. Khan, Prof. G.M Malik, Prof. A.H. Zargar, (Department of Education, KU), Prof. Showkat Ahmad, Dr. Tawseef Razvi, Dr. Humaira (Department of Psychology, KU), Prof. B. A. Dabla, Dr. Anisa Shafi (Department of Sociology, KU), and Dr. Tariq Ahmad (CCAS, KU) who acted as judges to validate the self-constructed risk taking behaviour scale and provided valuable suggestions.
My deepest gratitude goes to my parents Syed Mohd. Ashraf and Syed Hajra Begum (my great inspiration) whose blessings, appreciation, unconditional love, unwavering support, care and what not gave me the strength to carry on even in difficult times and allowed me every time to satisfy my aspirations as having great fond of my successful life. I am thankful to my sibling’s namely sister Syed Ruqia, Syed Safeera, Syed Suraya, Syed Irfan and Syed Shakir whose prayers are always behind my success.

I am highly indebted to Prof. M.A Wani (Former Principal GDC Kupwara) and Dr. Naseer Hussain Shah (Prof. Botany, GDC Bemina) who continuously insisted, boosted and encouraged me to go for this course.

I also owe my thanks to other faculty members of the department like Mr. Mohd. Amin, Dr. Gulshan Wani, Mr. Manzoor Ahmad, Ms. Asia Maqbool, Dr. Shabir Ahmad, Dr. Kausar and Mr. Bilal Ahmad (South Campus) for their constant help. My sincere thanks are also due to Mr. Mohd. Abbas, Mr. Irshad Ahmad, Mr. Mohd. Ashraf, Mr. Gh. Mohi-u-din Jan and Ms. Tanveera and other non-teaching staff of the department and librarians for their genial attitude and cooperation during the completion of my research work.

I owe my thanks to a number of educationists of the country and abroad whose worked I consulted during the preparation of this work. I am immensely thankful to Dr. Sushil Kumar Singh, Prof. Ananda Padhan, Prof. Mahir Kumar, Dr. Aneet Kumar, Dr. Ramandeep (faculty members of LPU, School of Education) who provided me great encouragement and inspiration to prove my potential. I am thankful to library staff of NCERT, NUEPA, JMI and LPU for their cooperation and permission for allowing me to survey literature related to my research work.

I am immensely pleased to acknowledge the help and cooperation received from my friends cum scholars of the department viz: Aashiq Ahmad thoker, Gawher Ahmad Bhat, Syed Noor-ul-Amin, Syed Reyaz Ahmad, Aijaz Ahmad Parray, Zahoor Ahmad Wani and Hafizullah Qureshi and other scholars namely Aqueel Ahmad, Tariq Ahmad, Maqbool Ahmad, Mudasir Ahmad, Rizwan Roomi and Bilquees Aslam.
I duly acknowledge the help rendered to me regarding the completion of thesis by my friends namely Mr. Arshid Ahmad Thoker (His family members), Mr. Lateef Ahmad (His family members), Amber Nighat, Asifa Rashid, Nighat Mushtaq, Syed Mansoor, Farhana Manzoor, Tanzeela, Hilal Ahmad (Bandipora), Ab. Hameed, Mudasir Ahmad, Rayees Ahmad, Gulzar Ahmad, Shaukat Ahmad and Muzaffar.

I would like to thank my favourite students namely Ishrat Rashid, Naseer Ahmad Sofi, Khalida Yaseen, Tahira Majid and Nelofar who came for assistance whenever it was needed with respect and without any hesitation, I pray for their success in coming life. I also pay my heartfelt gratitude to one of my favourite well wisher namely Ms. Nahida Anjum for her affable attitude, prayers, emotional support and help in carrying on this course. I wish her prosperous, peaceful and charming future life.

I express my special and sincere thanks to the headmasters, teachers and students of those middle and high schools of district Srinagar, Baramulla and Kupwara from were data was collected for their praise worthy cooperation. Sample subjects are given credit for their cooperation and I pray to Almighty for their future success in all walks of life.

Finally, I pay sincere thanks to relatives and kins namely Mr. Ansar Ahmad Wani, Mr. Salik Ansar Wani, Syed Nasir, Junaid-ul-Islam, Darakhshanda, Syed Faisal, Syed Rashid, Syed Tajamul, Syed Shafeeq, Syed Zahoork, Syed Nissar and Syed Rizwan, my paternal as well as maternal uncles whose affectionate attitude and respect helped me a lot in the execution of this research work.

Syed Ishfaq Ahmad Shah
