ACKNOWLEDGEMENT

Today with humility, misty eyes and folded hands I sincerely acknowledge my gratitude to the Almighty for showering his blessings upon me. The Almighty constantly infused me with the strength and concentration to embark on and accomplish this work successfully. This research work was not possible without his benediction and grace. I pray that this hidden force always blesses me with the strength, courage, wisdom and will power to face all the challenges of life.

I take this opportunity to express a deep sense of gratitude, appreciation and indebtedness for my honourable guide and mentor, Prof. V R Sinha, Chairperson, University Institute of Pharmaceutical Sciences. I would like to acknowledge the very fact that translation of ideas into actions became possible due to his able and prudent guidance. His professional acumen, plausible and erudite thinking and perfect counselling helped me in achieving my goal. His meticulous ways, utmost attention to all problems, continuous involvement, precious guidance, valued suggestions and timeless efforts made this immense task to come to conclusion successfully. His continuous efforts and guidance throughout the project helped me in sailing easily through the ups and downs being faced. I feel extremely fortunate to work under his valuable guidance. I am also thankful to him for extending the necessary facilities for carrying out this research work.

I deeply acknowledge Prof. Bhupinder Singh Bhoop, Prof. O. P. Katare, Prof. Indu Pal Kaur, and Prof. Shishu, Faculty of Department of Pharmaceutics, for all the inspiration, guidance and support rendered to me throughout the course of this project. I would also like to thank Prof. Ranju Bansal, Prof. Alka Bali and Prof. Renu Chaddha for their support and guidance extended whenever required.

I am sincerely thankful to Dr S. K. Mehta, Faculty of Department of Chemistry, for imparting his valuable guidance and knowledge regarding the nanoemulsion evaluation done during the research work.

I am grateful to Mr Rahul, Technical Assistant- Zeta Sizer at National Institute of Pharmaceutical Education and Research, Mohali for carrying out the globule size analysis.
I am extremely thankful to Dr Sanjeev, Central Instrumentation Laboratory, for carrying out LC/MS analysis and Mr Avatar Singh, Central Instrumentation Laboratory, for carrying out the NMR spectral analysis.

I am also thankful to Mr Joginder Burail, Librarian at Department of Chemistry for helping with the Sci Finder facilities.

My particular thanks to Mrs Maninder Kaur, a senior technician, CPEBS, for helping in completing my HPTLC studies and showering her knowledge on me during my course of period in CPEBS.

I take this opportunity to acknowledge and respect the support and wish to reciprocate my thankfulness towards my labmates Dr Jayant K. Bhinge, Dr Ruchita, Dr Azaki, Mr Saurabh, Mr Honey, Mr Gurpreet, Ms Manta, Mr Vinay, Mr Jaswanth, Ms Yogita, Ms Shilpa, Mr Mahendar, Ms Priyanka for their help and friendly atmosphere in the lab.

I would also like to thank my colleagues Mr Basant, Mr Anshuman, Mr Kaisar, Dr Amit, Mrs Poonam, Ms Sheetu, Mrs Vandita, Ms Nidhi, Ms Rajwinder, Dr Anurag, Mrs Astha, Mr Vipin, Mr Varun, Mr Shantanu, Dr Rishi for their support, help and devoting their valuable time in tailoring my work whenever required.

My special thanks are due to the technical staff Mr Chaman Lal, Mr Anil Kumar, Mr Saroop Singh, Mr Buta Singh, Mr Shyam Singh, Mr Shadi Lal for their kind, cooperative and technical expertise.

I would be failing in my duties if I do not acknowledge the wholehearted support, love and care shown to me by my old friends Dhagla, Uday, Parvish, Mahesh, Damanjit, Bhajen and Kamal. Although, they were not here around me, but their calls always encouraged, and supported me throughout.

I am grateful to Pioneer Agro Industries, Thane for the generous gift sample of Talinolol, and to Panacea Biotec, Baddi for providing the gift sample of Tizanidine, Gattefosse India Pvt Ltd. for the gift samples of Labrafac®, Plurul oleique®, Lauroglycol®, Labrafil®, Labrasol®, and Loba Chemie Pvt. Ltd. for Triacetin®, Migloy 812®, Isopropyl Myristate.

Finally, I shall always remain thankful and indebted to my parents, L. Sh. Surinder Kumar Ghai and Shmt. Sukhwant Kaur for all the sacrifices that my family so selflessly
made. This work could not have been completed without their blessings. The strong confidence of my father in me needs to be mentioned. His words have always been a source of immense encouragement and gave me strength to move forward. I shall also be thankful to my wife Ramandeep, son Nirman and sisters, Ramanjit, Satyajit, Harjeet and Jasleen who always remained by my side and helped me in many ways. I have no words to thank them all.
