Acknowledgements

First of all, praise for Almighty Allah (SWT), the most benevolent and merciful, he has given me the strength all the time during my research work to completion this work.

It is a good opportunities to acknowledge a number of people who contributed to the completion of this thesis. In the first place, I would like to record my deepest sense of gratitude to my supervisor Prof. V. R. Sinha, Chairperson of University Institute of Pharmaceutical Sciences (UIPS), Panjab University, Chandigarh for his supervision, advice, and guidance during all research stage and continuous encourage me to make this work success, as well as for his precious time and great efforts he spends to read this thesis. Without his support, this work would not be possible. My deepest thankful to my co guide Dr. Indu Pal Kaur, Associate Professor of Pharmaceutics, University Institute of Pharmaceutical Sciences, Panjab University, Chandigarh for her valuable comments and suggestions.

I am very grateful to Dr. Bikash Medhi, Additional Professor, Department of Pharmacology, PGIMER, Chandigarh, for his help in Pharmacokinetic studies. My special thanks go to Mr. Ajay and Dr. Anurag for their helps during animal studies.

I wish to thank all of my friends and colleagues in the department, especially Ruchita, Abhilasha, Honey, Saurabh, Daman, Kaisar and Gurpreet for their helps in so many ways and for all emotional supports.
I would like to thank all my friends especially Mashhoor, Abdul-malik, Anwer and Arif who have been supportive me in various ways.

My special thanks go to the laboratory and technical staff for their wonderful help in laboratory.

Despite the geographical distance, all of my family was always nearby, especially my mother, brothers (Monier, Osamah and Zaid) and my loving sisters (Amt Al-malik, Slam, Dawla and Fatima). My deepest love and thankful to all of them for their prayers and encourage throughout my research work. I wish to thank my wife Shatha whose dedication, love and persistent confidence in me. My thanks to my little boy Ahmed for his emotionally support.

Finally, I would like to thank everybody who was helped to successful completion of this study. I also express my apology that I could not mention every name.
