ACKNOWLEDGEMENTS

The author wishes to express his deep sense of gratitude to his research supervisor Dr. E. G. Rajan, Director, RGISIT, Mahatma Gandhi National Institute of Research and Social Action, Hyderabad, Founder president, Pentagram Research Centre Pvt. Ltd., Hyderabad and Advisor, Gokaraju Rangaraju Educational Society, for his esteemed guidance and supervision, his motivation in right direction, his many valuable ideas. He has been a huge source of knowledge and inspiration. Discussion with him have always been pleasant, fruitful and informative. This research work would not have been possible without his help and guidance.

I wish to express my sincere gratitude to Prof. Dr. D. Swaminadhan, Vice-Chairman, State Planning Board, Govt. of A.P., Member, National Advisory Council, Govt. of India, President, Mahatma Gandhi National Institute of Research and Social Action, Chairman, Dr. D. Swaminadhan Research Foundation, Former Vice-Chancellor, JNT University, Hyderabad, Former Member, Planning Commission, Govt. of India. Dr. K. Anjanappa, Director General, Mr. D. Suresh, Registrar, MG-NIRSA, Hyderabad for their constant administrative guidance throughout the course.

I also take an opportunity to express whole hearted gratitude to Dr. T. V. Shivashankara Murty, Dean, Faculty of Science and Technology and Dr. G. Hemantha kumar, Chairman, Board of studies, Computer Science Department, Mysore University for their constructive suggestions and criticism.
I extend my sincere thanks to Mrs. G. Chitra, Managing Director, Pentagram Research Centre Pvt. Ltd. (PRC), Hyderabad and other engineers for providing peaceful work environment in their organization.

I express my whole hearted gratitude towards Prof. Dr. M. Prabhakar, Principal, St. Stanley College of Engineering and Technology, Muthangi (V), Patancheru (M), Medak (Dist), and Management Members, for extending their cooperation during my Ph.D. work.

The author would like to express thanks to Mr. Nandkishore, Engineer, Pentagram Research Centre Pvt. Ltd., Hyderabad. Thanks are due to other staff members of PRC Mr. Srinivnas, Ms. Udayshree and to Mr. G. Sathya and Ms. G. Prashanti for their untiring technical and moral support while writing this thesis.

Thanks are due to my friends Prof. M. Ekambaram Naidu and Prof. Vishwapatii for their encouragement during difficult times.

I am deeply indebted to my father Haji Jilani Miyan, my wife Mrs. Shaheen and children Mr. Asif, Ms. Amreen, Ms. Zabeen and Mr. Md. Khaja for their patience and moral support during the entire period of my research work, without whom I would not have completed my research.
