ACKNOWLEDGEMENT

I deem it a pleasure to acknowledge here the contribution and help rendered by many individuals and organizations in the completion of this Ph.D. Thesis.

The basic inspiration for doing Ph.D in mind and the desire was encouraged for completion of Ph.D. Thesis by Dr. S. Mokshapathy, Sr. Faculty, Institute of Development Studies, University of Mysore, for his constant guidance, advice, constructive suggestion, co-operation and encouragement without which it would not have been possible for me to bring out this thesis in time.

I want to place on record my sincere thanks to Prof. Dr. M. Devaraj, Director, Institute of Development Studies, University of Mysore,

I am very much indebted to Prof. K.V. Aiahanna, Professor of Development Studies, Institute of Development Studies, University of Mysore,

I am very much thankful to Dr. H.M. Chandrasshekar, Assistant Professor, MBA-Agri Business Management, Dr. H.N. Nagendra, Associate Professor, M.Tech., Urban and Regional Planning, H. S. Kumar, Assistant Professor, Urban and Regional Planning, and Mrs. Meera M. Assistant Professor in Development Studies, and other faculty member, Institute of Development Studies, University of Mysore, Manasagangothri, Mysore for this constant guidance, advice, constructive suggestions, co-operation and encouragement without which it would not have been possible for me to bring out this thesis.

I express my sincere thanks to Mr. Krishnappa, General Manager, Hopcoms, Bangalore. I am very much indebted to Mr. Suresh and Mr. Sridhar Statistical Deportment, HOPCOMS Bangalore. I want to place on records my sincere thanks to Mr. Manjunath Narayanpur, Joint Director in Horticulture Deportment, (Planning) Lalbhag Bangalore, 04.
I express my sincere thanks to Dr. T. Vasantha Kumarn Rtd. Professor University of Madras, and Smt. Lakshmi sharma, Bangalore.
