Acknowledgement

Penning down heartfelt feelings for Acknowledgement is a tedious but most pleasing task for me. I am experiencing mix feelings of gratitude towards all those kind persons who have helped throughout the process, and fulfillment in terms of their help has born fruits today in the form of this doctoral thesis. I would like to express my due gratitude to everyone who helped in even small way but could not be given particular mention here.

First and foremost I would like to thank my Spiritual father H. H. Radhanath Swami and his representative mentor H.G. Shikshashtakam prabhu, H.G. Paramhans prabhu, H.G. Govind prabhu who all taught me that real intelligence, is to discriminate right from wrong and mission should be a help in betterment of society. I am indebted and feel proud of my dear husband Vivek, without whose love, support, patience, and intelligent directions doctoral thesis would have been just a dream. My heartfelt thanks are due to my dear child Parikshit, who always showed maturity and co-operated more than his age. My father, Late Shri. Prakash Thakur and mother Smt. Lalita have given the strength and necessary freedom always to help me soar high in the skies of achievements. My heart overflows with gratitude thinking of my brother Abhijit who gave me love and support of father in absence of my father. It is my pleasure to express my heartfelt gratitude towards my in-laws Sau. Sunanada and Shri. Ashok whose love and support have demonstrated that Indian family system is blessing and strength where I always enjoyed the leisure time for doing quality work for my doctoral thesis. I would like to thank my dear friends Haripriya, Sweetu and Padmini who have helped me in doctoral journey as that of life. I would like to thank my dear home helpers, Ashwini, Mangal, Chhaya for their untiring efforts which gave me necessary support for completion of thesis. My dear sister, Anagha, Cousins, sister-in-laws, brother –in-laws, dear nieces and nephews have always been the source of abundant love and encouragement.

The path of completion of doctoral thesis has been made pleasing and easy with expertise, guidance, and support of my Research guide, Dr. Mrs. Sarita T. Aurangabadkar. We both equally share feelings of fulfillment and achievement with completion of this project. I would like to thank Head of my research centre, Dr. Dhanesh
Kalal for his all encompassing support which has helped completion of the quality work in due time period. I would like to express my heartfelt gratitude towards our mentor, Hon. Dr. M.S. Gosavi, who makes us feel proud of his wisdom, intelligence and his trust in us being our leader.

I would like to thank Prin. V.M. Auarangabadkar who had envisioned of my Ph.D. long time back which is becoming reality now. I would like to thank earlier Head of my research centre, Dr. Mrs. A.A. Verulkar for her wisdom filled directions, instructions and support. I would like to thank Dr. V.S. More, Dr. Mahesh Kulkarni and Dr. Shilpa Rastogi for showing confidence in me at the time of the Doctoral admission.
