ACKNOWLEDGEMENT

It gives me immense pleasure to submit my thesis titled as “A Study of Audio-Visual (Television) Advertising & its Impact on Children with Special Reference to Pune City” to the University of Pune.

The key ingredients for successful completion of any task are encouraging guidance, constant approbation, enthusiastic supervision, thought provoking suggestions & cordial atmosphere. The smallest acts of kindness are worth more than grandest intention. It is great pleasure to me in acknowledging my deep sense of gratitude to all those who have helped me in completing this project successfully.

First of all, My profound sense of obligation goes to Dr. B.V. Sangvikar, my research guide for this research, from the bottom of my heart, for his continuous guidance, motivation, encouragement & unstinted support in all the respect. Without his help it would have been a dream only to carry out the research work. His vision, encouragement & help are greatly acknowledged in making this research work successful.

It is highly privileged opportunity for me to pay my sincere & humble tribute to none other than my better half, my husband Mr. Yogeshchandra Chaudhari, whose continuous motivation & support resulted into the completion of my work.

I also acknowledge with a deep sense of reverence, my gratitude towards my parents, little members of my family i.e. my cute little two angels Arya & Avani & my other family members
who has always supported me morally & who inspired me to put in my best efforts for the research work. Without their treasured love & support the completion of this work would not have been meaningful & possible at all.

I would express my grateful thanks to my friends & colleagues for their instantaneous help, guidance & motivation throughout my research work.

Lastly it is with a sage sense of gratitude, I acknowledge the efforts of whole hosts of well wishers who have in some way or other contributed in their own special ways to the success and completion of this project.

Place: Mrs. Anjali Y. Chaudhari

Date: Research Student
