Acknowledgements

Before starting anything, I would like to express my cordial thanks to the almighty “GOD” for giving me enough skills and endurance to face all the obstacles which crossed my path not only in the execution of this herculean endeavor but also at every span of my life. I heartily acknowledge and thank those persons who helped me during the course of my research work by sparing their time and efforts.

After GOD one who made this possible for me and acted like a torch bearer throughout the last four to five years is none other than my supervisor “Dr. Mangey Ram”. It gives me immense pleasure to express my sincere gratitude to Dr. Mangey Ram, Associate Professor, Department of Mathematics, Graphic Era University, Dehradun, for his valuable guidance, thorough supervision, positive ideas and supportive inspiration throughout the research work. I also want to express my sincere gratitude to Graphic Era University, Dehradun for providing me such a great campus and supervisor, who made it possible to complete this research work successfully.

I wish to express my sincere gratitude to my supervisor Dr. Mangey Ram, for his extra-ordinary dedication, ever helping attitude, critical and encouraging comments throughout my research work. His constructive criticism and suggestions have enriched my work.

I am thankful to my Student Research Committee members, Dr. R. P. Tripathi, Head, Department of Mathematics; Dr. Seema Saini, Associate Professor, Department of Mathematics; Dr. Rajendra Sharma, Professor, Department of Mathematics and Dr. Mukesh Kumar, Associate Professor, Department of Mathematics for their kind suggestions, cooperation and motivation during research work.

I am thankful to Prof. (Dr.) Kamal Ghanshala, President; Prof. (Dr.) R. C. Joshi, Chancellor; Prof. (Dr.) V. K. Tewari, Vice Chancellor; Prof. (Dr.) A. K. Awasthi, Pro Vice Chancellor; Prof. (Dr.) Ankush Mittal, Director Research and Prof. (Dr.) Pravin P. Patil, Dean (Research & Development) of the University, for providing necessary help and research facilities during my research.

I am thankful to all the faculty members of the Department of Mathematics specially Dr. Ritu Chandna, Dr. Anand Chauhan, Mrs. Neha Sang, Dr. Anuraj Singh for their cooperation and support throughout the research work.
Last but not the least, I cannot forget to pay my special thanks to my family members for their utmost support. My father Shri Rajendra Pal Singh, my mother Smt. Suneeta Devi, my sister Dolly, brother Mohit and one of my best friend ever Archana for their continuous motivation and support. I have to say that without their support, it would never have been possible for me to successfully carry out this research work.

I cannot find words for Dr. Munesh Sharma, Director, Millennium Institute of Technology, Saharanpur for his cooperation and suggestions throughout the research work.

Finally, I would like to remember my seniors Sanjay Sharma, Monika Manglik, as well as my batch mates Kuldeep Nagiya, Kamal Krishan Singh for their love and continuous support. The lovely company, cooperation and help by my junior Nupur will always be remembered by me.

Lastly, I would like to sincerely thank all those whose names does not figure here, but have helped me directly or indirectly during the tenure of my research.
