Acknowledgement

In the completion of this thesis, I am highly indebted to my esteemed supervisor Dr. N. A. Nadeem, Professor, Department of Education, University of Kashmir, for his creative guidance, great inspiration, insightful comments and sound criticism. It was his able guidance and deep insight in research that I could analyze, interpret and compile the data in right perspective.

I am highly thankful to Prof. A. R. Rather, Prof. G. M. Malik, Prof. B.A. Nehvi, Dr. M.A. Khan, Dr. Nighat, Dr. M.Y. Ganaie, Dr. M.I. Matoo, Dr. Tasleema, Dr. Najma and Ms. Amina for their constant encouragement and support which is deeply acknowledged. The non-teaching staff members of the Department of Education deserve my special thanks as they provided pleasant atmosphere during my presence in the Department.

It is my obligatory duty to offer my joyful gratitude to students, teachers, and heads of all those institutions of district Pulwama and Srinagar who extended their full support and cooperation during the surveys made by me.

I am greatly thankful to the library staff of Department of Education, Allama Iqbal Library, NCERT, NUEPA and JNU for their full cooperation and help in facilitating the library and internet facility.

I am also thankful to my fellow research scholars and friends especially Miss. Gulnaz, Miss. Khalida, Mr. Shabir, Mr. Showkat and Mr. G. M. Jaan for their constant support, suggestions and memorable company.
The contribution of my parents and my elder brother in the successful completion of the present study is worth mentioning.

My deep love and appreciation are due to all the family members of Mr. G. R. Wani especially Aisha Rasool Wani (Mummy Ji) for leading me into intellectual pursuits. Their wishful thoughts, constant affection, support and encouragement helps me to push through good and tough times.

Last but not least, I am thankful to Mr. Javeed Ahmad, M/S. Universal Computers who has put his all efforts in type setting and editing of this manuscript meticulously besides his busy time schedule.
