Acknowledgement

I would like to express my deep gratitude to all those people who have helped and supported me during the period I worked on this Ph.D. thesis in education. However, I am especially grateful:

♫ to my learned supervisor Dr. Garima Singh, Reader, U.P College, Varanasi, who had been my richest source of inspiration and knowledge in education.

♫ to Dr. Bhupendra Vikram Singh, Professor, Department of Economics, BHU, Varanasi, who gave me all needed guidance.

♫ to Dr. Sunil Kumar Singh, Reader, Faculty of education, BHU, Varanasi, for providing kind and generous help and able guidance for improvement and completion of this work.

♫ to all my family members especially to my father Dr. Vidya Sagar Singh, C.H.(B).S, BHU, Varanasi, for extending unparallel support throughout this period.

♫ and last but most important to all those teachers selected in sampling who responded with full zeal and enthusiasm. Without their help, this research work would have remained incomplete.
