ACKNOWLEDGEMENT

I express my sincere gratitude to Dr. Th. Khomdon Singh, Librarian Manipur University for his inspiring guidance, valuable instructions, critical suggestions and constant encouragement throughout the course of my research work.

I am very much grateful to the authorities of Manipur University for permitting me to conduct this research work.

I would like to extend my gratitude to my teacher, Dr. Th. Purnima Devi, Head of Department of Library and Information Science, MU and Dr. Th. Madhuri Devi, Associate Professor of the DLIS, MU for their support.

I want to extend my special thanks to Dr. Ch. Ibohal Singh Lecturer DLIS MU, Dr. J.C. Binwal Retd. Professor DLIS, NEHU for providing me their academic support in completing this present work.

I am also very much thankful to the staff members of the Manipur University Library for providing me full cooperation during the course of my research work.

I extend my thanks to all the librarians of colleges, universities, special and public libraries for extending their kind cooperation for sparing their valuable times by responding my questionnaires and interview schedule during the time of survey.
It gives me immense pleasure to express my special thanks to S. Shantikumar Singh, Guest Lecturer, Department of Statistics, MU for assisting me in calculation of the data by applying the Chi-square method.

I am also very much grateful to my loving friends Dr. K. Sangeeta, Kh. Surchand, Ph. Bobby, S. Bembem, Kh. Premoda, N. C. Lenbi, Ch. Birana, Th. Suleta, L. Ranita, A. Ithoi, Babita, Ch. Rebika for their continuous support and warm companionship in every step of my work.

My parents and my family members extended full co-operation, encouragement, support and involvement during the entire course of my research work without which it would not have been possible to complete the work. I show my deep sense of gratitude to them.
