ACKNOWLEDGEMENT

I record my deep sense of gratitude and sincere admiration to Dr. Ramu, Assistant Professor and Course Coordinator of M.Sc. GIS at the Centre for Geoinformatics Technology, DOS in Geography, Manasagangotri Campus, University of Mysore for his valuable guidance, beneficial suggestions and extraordinary concern on me for the successful completion of my research.

I extend my sincere thanks to the Dr. P. Jayashree, Associate Professor at the DOS in Geography, University of Mysore, Mysore for her continuous support and encouragement at various stages of my research.

My special appreciation to Dr. A. Balasubramanian, Professor at the DOS in Earth Science, University of Mysore for the immeasurable support and direction throughout my work. I would like to express my heartfelt thanks to Dr. Papanna C., Faculty at Centre for Geoinformatics Technology, DOS in Geography, University of Mysore for his support in the fieldwork and continuous encouragement throughout my research.

I would like to extend my sincere appreciation to Mr. Vishwanath and Mr. Vinod of Kallatra Technologies Pvt. Ltd., for providing valuable data and their support. I also extend my thanks to Dr. Rekha Shanmukha, Deputy Director, Vivekananda Institute of Indian Studies, Mysore for her valuable suggestions. I thank Mr. Jayaram, Project Coordinator at the Organization for the Development of People, Bannimantap, Mysore for providing the Lab facility and his valuable guidance for testing the soil samples.

I also extend my sincere thanks to the staffs of Mysore Zoo, Karnataka State Pollution Control Board and IL&FS Environmental Infrastructure and Services Ltd. for providing the necessary data and their constant support in my research. I express my sincere thanks Dr. G. Krishnamoorthy for his valuable support.

The true forbearance, boundless love and perpetual prayers of my dear parents, sister and grandfather deserve much gratitude and heartfelt thanks.

ABHILASH RAJENDRA
