Acknowledgement

This work is the consequence of the very sincere contribution and kind help received from a number of people till the accomplishment of the research work. Honestly no words could express my earnest gratitude and eternal thanks to acknowledge all the people who have extent their help and support spontaneously during the course of preparing this thesis.

At the very outset, I would not spare this very opportunity to express my deep sense of gratitude to my supervisor Prof (Dr.) Gyan Prakash Pandey for his persistent guidance, encouragement and help throughout the period of the research work.

I look forward to extend my sincere thanks to all the students, housewives, servicemen, journalists for their kind cooperation during the period of data collection and field work. I am also indebted to all the respondents for providing me with requisite information and feedback. My vote of thanks goes to all the senior officials of NGOs, journalists, media persons for providing me relevant information and kind cooperation in the survey period. I again wish to offer my heartiest thanks to the library officials of Indira Gandhi National Open University (IGNOU), Krishna Kanta Handiqui State Open University, Gauhati University, ICHR (G.U.) for their kind cooperation.

It also gives me pleasure and privilege to acknowledge the authority of Assam University enabling me to complete the Ph.D. work.

I am also indebted to my all the family members for their constant encouragement and cooperation in the whole journey of my research and thanks to my parents for their constant support which made me able to bring out the research work in this final forms.
