Dr. Babasaheb Ambedkar Marathwada University, Aurangabad - 431004 (MS) INDIA

Development of Feature Extraction Techniques for Face Recognition

The Thesis Submitted by,
Sangeeta Narsing Kakarwal

Under the guidance of
Dr. Ratnadeep R. Deshmukh
Associate Professor,
Department of Computer Science & IT

July 2012
The Thesis Entitled

Development of Feature Extraction Techniques for Face Recognition

Submitted to
Dr. Babasaheb Ambedkar Marathwada University,
Aurangabad

For
Ph. D. Degree
in
Computer Science & Engineering

By
Sangeeta Narsing Kakarwal
Research Student

Under the Guidance of
Dr. Ratnadeep R. Deshmukh
Associate Professor
Department of Computer Science and Information Technology,
Dr. Babasaheb Ambedkar Marathwada University,
Aurangabad - 431004 (MS) INDIA.

Aug - 2012
Development of Feature Extraction Techniques for Face Recognition

Ph. D. Thesis

in Computer Science & Engineering

Author

Sangeeta Narsing Kakarwal

Research Student
