INSTRUCTIONS:

Here are some questions regarding the way you behave, feel and act. After each question is a space for answering 'Yes' or 'No'.

Try to decide whether 'Yes' or 'No' represents your usual way of acting or feeling. Then put a circle around 'Yes' or 'No'. Work quickly and don't spend too much time over any question; we want your first reaction, not a long-drawn out thought process. The whole questionnaire should not take more than a few minutes. Be sure not to omit any questions.

Work quickly and remember to answer every question. There are no right or wrong answers and this isn't a test of intelligence or ability, but simply a measure of the way you behave.
