ACKNOWLEDGEMENT

On the completion of this long and enlightening voyage with the Grace of Almighty, I sincerely feel like thanking all those who guided, motivated and helped me throughout.

Words are too feeble a medium to express my sincere feelings of gratitude for my esteemed supervisor, Dr. (Mrs.) Raj K. Gupta, Chairperson, Deptt. of Education, Punjab University, Chandigarh under whose proficient and invaluable guidance, inspiration, encouragement and painstaking effort, I had the privilege to complete this research work. She helped me by combining her rare qualities of head and heart. As my supervisor and guide, she had all along been very considerate, helpful and cordial in her searching criticism from time to time. Her encouragement and valuable suggestions proved an immense help to me in completing this study. Thank you so much Ma'am.

I am also sincerely thankful to the Principals, teachers and students of private schools of Patiala for their generous cooperation, which has enabled me to finish the research work.

I am thankful to all the researchers and authors whose works I have used and quoted in my research report and without which it would not have been possible to link the missing gaps.

I also express my feelings and sense of gratitude to my parents, who taught me to dream and achieve, gave me roots of responsibility and wings of independence, who cherished the desire to see my rise, for providing matchless help, which helped me to make this research work a fruitful one.

Special thanks are due for my sisters and brother Auneesh whose love and silent sacrifices gave me strength to complete this study.

It is my pleasant duty to place on record my thanks to my mother-in-law, father-in-law and sister-in-law for their good wishes, ever forth coming support and encouragement without which it was difficult to compile this research.

Let me also convey my thanks to Dr. Sachin at, GMCH-32 and Dr. Parbhat Sood, Consultant Psychiatrist, Chandigarh, who helped and motivated me to accomplish this task.

I am thankful to my college staff for their concern & encouragement in this venture.

My vocabulary fails to express gratitude to my loving & understanding Husband "Rajeev" for his constant care, personal involvement, keen interest, sympathetic attitude and persistent encouragement throughout
the period of research work. His initiations, patience & sincere interest enabled me to achieve this arduous objective.

My loving thanks to my adorable daughter "Roshni" whose sweet smiles delighted & strengthened me.

It would be a remiss of me not to express my gratitude to my friends Flea and Paramjot for their good wishes and helping nature.

I wish to express my thanks to all the office staff members of the Deptt. of Education, PU, CHD for their timely help and co-operation.

Above all, I thank the Almighty God for everything-----He blessed me with.
