ACKNOWLEDGEMENT

I am extremely grateful to Prof. K. V. Nagaraj, Pro-Vice Chancellor and Professor of Department of Mass Communication, Assam University, Silchar for his relentless guidance, supervision throughout the work. Equally I am extremely thankful to Dr. Silajit Guha, my supervisor and Asstt. Professor, Department of Mass Communication, Assam University, Silchar for his continuous help, close monitoring and suggestions from begining to end of study work.

I am also thankful to all the teachers of Department of Mass Communication including Head of the Department, who inspired, encouraged, supported and stood by during my Post Graduation and Ph.D. days.

I also extend my sincere gratitude to Anirban Bhadra, a Software Engineer, AVEVA Public Ltd., Hyderabad, helped me a lot being a younger brother especially during data entry and other miscellaneous work.

I also extend my gratitude to Mr. K. Venkata Rao, Director of Reachout Business Analytical Services, Hyderabad who was responsible for analyzing the raw data through various statistical methods. I am also thankful to Hemant Saikia, a research scholar from the Department of Business Administration, Assam University, Silchar for his valuable support during data entry and data interpretation.

A bouquet of thanks goes to the Principal of various colleges who permitted and helped me in collecting data even when the classes are going on. Nonetheless, sincere gratitude to teachers from different colleges who stood beside me for the successful completion of lengthy and tenuous data collection procedure.
Last but not the least thanks also goes to my family especially my parents, my sister who supported me a lot throughout the work. Also, I am indebted to my wife Soma who worked along with me on many occasion and my hyper-active daughter whose rare silence allowed me to work further.
