ACKNOWLEDGEMENT

I wish to express my sincere gratitude to Dr. C.J. Kumanan, Professor and Head, School of Geosciences and Centre for Remote Sensing (CERS), Bharathidasan University, Tiruchirappalli for his untiring involvement, able guidance, thought provoking ideas, constant encouragement at every stage of my research work and brilliant suggestions rendered to me throughout my doctoral research period without which I would not have completed this work. I am very much grateful to him for all his help and devotion. He is the source of inspiration for me with his commitment to work, execution, patience, sincerity, excellent teaching skills, honesty and many to count. He is the pillar of CERS and goes hand in hand with Dr. S.M. Ramasamy in establishing this Centre into a state of art in this country from a rudimentary level.

I would like to thank Madam Mrs. Anuradha Kumanan, for her kind hospitality and constant encouragement during my research.

My sincere thanks are due to Dr. S.M. Ramasamy, Vice-Chancellor, Gandhigram Rural Institute - Deemed University, Gandhigram, Tamil Nadu, the mentor of CERSians and founder father of the CERS. Without his dedication, commitment and brilliance most of the remote sensing centres in India would have sans quality man power. I express my heartfelt thanks to him for standing ahead and leading us as a role model in each and every aspects of life.

I am extremely grateful to Dr. T.K. Biswal, Professor, Indian Institute of Technology Bombay, Mumbai, India, who has been teaching, helping and guiding me at all levels of my field work and shaping up my thesis. I am extremely indebted for his painstaking efforts to travel all the way from Mumbai to Salem for the field work and for his effective guidance in the field. Without his involvement my research would not have attained its present shape.
It will be an injustice if I forget to acknowledge Public Works Department, Tamil Nadu Water supply And Drainage board, Central Ground Water Board and Geological Survey of India for their pioneering work and for being a data source for all the researchers. I like to express my deep sense of gratitude to Mr. Chandra sekar, Geologist, TWAD, and Salem for providing enormous amount of ground truth resistivity data and Mr. Subburaj, Senior Geologist, CGWB, Chennai, for providing ground water quality data and for their constant encouragement.

I would like to express my sincere thanks to my teachers Mr. K. Subramani, Professor(Retired), Dr. S. V. Govindaraju, Associate Professor and Head, Dr. R. Rengarajan, Associate Professor, Mr. K. R. Ravindran, Associate Professor, Mr. V. Sridharan, Associate Professor and Dr. V. Manivannan, Associate Professor, Department of Geology, Government Arts College (autonomous), Salem -636007, for their whole hearted support and being my moral strength, not only during this research but, from the beginning of my association with this department as a student of Graduation from 1992.

I wish to thank all friends and colleagues at my alma-mater Mr. M. Jayabalan, Assistant Professor, Mr. N. Vijayakumar, Assistant Professor, Mr. V. Thirumurugan, Assistant Professor, Mr. P. Pragatheswaran, Assistant Professor, Mr. C. Boobalan, Assistant Professor, for their kind help in providing literatures and being constant source of encouragement.

I am very much thankful to Dr. D. Ramesh, Associate Professor, Dr. K. Palanivel, Assistant Professor, Dr. C. Lakshumanan, Assistant Professor, Dr. J. Saravanavel, Assistant Professor, Dr. R. Sakhivel Assistant Professor, and Dr. N. Nagappan, Dr. S. Gunasekaran and Mrs. Gayathri Research Scientists, Centre for Remote
Sensing, Bharathidasan University, Tiruchirappalli for their help and constant encouragement during various stages of my research.

My sincere thanks to my beloved brothers Dr. M. Muthukumar, Assistant Professor, Gandhigram Rural Institute - Deemed University, Gandhigram, Dr. SK. Mahammad Sartaj Basha, Research Associate, CERS, Mr. G. Balamurugan, Scientist, Centre for Remote Sensing & Geoinformatics, Sathyabama University, Chennai an Mr. N. Ramalingam, Junior Research Fellow, CERS, for their patience and co-operations in all respects - including the preparation of manuscripts for this thesis.

My sincere thanks are due to Dr. S. Anbazhagan, Professor and Head, Dr. S. Venkateswaran, Associate Professor, Dr. R. Venkatachalapathy, Associate Professor, Dr. K. Anbarasu, Assistant Professor, Dr. Mu. Ramkumar, Assistant Professor and Mr. R. Suresh, Assistant Professor, Periyar University, Salem for their moral support and constant encouragement.

I would like to express my gratitude to Dr. R. Neelakantan, Associate Professor, Tamil University, Thanjavur and my friend Dr. R. Selvakumar, Assistant professor, SASTRA University, Thanjavur, for their help, moral support and constant encouragement during the entire course of my research work.

I am very much thankful to Mr. S. Mahalingam, Scientist, ADRIN, Hyderabad, and Mr. T. Srinivasalu, Rolta, Mumbai for their help during my research work. My sincere thanks to U.A.B. Rajasimman, JRF, CERS for designing the cover page layout.

I am very much thankful to my student friends Mr. P. Thambidurai, SRF, Ratre Kamleshwar, SRF and Mr. K. Sundaralingam, SRF, Department of Earth Sciences, IIT Bombay, for their valuable support in providing me the required literatures and for their support during my field work.
I am very much thankful to Mr. R. Suresh Kumar, Miss. A. Mary Vasanthaa Kumari and Mr. S. Arumugam office staff and Mr. M. Thivagar, Mr. Arokya Yesu Das, Mr. A. Charles Jeeba and Mr. Karthick Kumar of CERS, for their kind help during my period of research.

My sincere thanks to my nephew Mr. C. Vijai for his relentless efforts to organise and arrange resistivity data and water level and quality data in excel work sheet.

Last, but not the least, I would like to express my gratitude to my beloved father Late. Mr. A.K. Venugopal; mother Mrs. V. Renganayagi; brothers- Mr. V. Chandra Sekar; Mr. V. Sathiya Narayana Sai and Dr. V. Navaneethakumar; sisters-Mrs. Amsaveni Dheenadhayalan and Mrs. Pushpalatha Senthilkumar; sisters in law- Mrs. Shanthi; Mrs. Suma and Mrs. Radhika; my family members Priya; Ramya; Rajesh; Tharanya; Dilip; Deepika; Dharshini; Subiksha and Abishek for their immense motivation, love and support during the entire course of my research work.

I would like to express my gratitude to my wife Mrs. K. Lavanya and sister in law Mrs. K. Sukanya; mother in law Mrs. Prema Kesavan; brother in law Mr. K. Sainath and my son Kutty Sushruth and Chutty Vishuruth for their patience, love and care they have been showering on me all these years.
