ACKNOWLEDGEMENT

I really feel much honoured for having come across brilliant teachers who not only taught me the academic subjects but also touched the deepest chords of my heart. I would like to convey my genuine appreciation and heart-felt gratitude to all of them.

Ph.D. is not just another degree, but it marks the culmination of very long years of academic education. I would like to take this opportunity to thank one and all who have contributed to my learning process since I was a child at school.

First of all, I thank almighty God for providing me this opportunity and granting me the capacity to complete this thesis successfully. This study has been completed through the whole hearted cooperation of many scholastic persons and well-wishers. It is a great pleasure to acknowledge many people who made this thesis possible.

I would like to thank Dr.G.James Pitchai, Vice Chancellor, Bharathiar University for giving me an opportunity to do my thesis successfully. I would like to thank Dr.P.K.Manoharan, Registrar, Bharathiar University and Dr.G.Ganesh, Director, Research and Development Centre, Bharathiar University for his support to doing my thesis in a successful manner.
