Acknowledgments

I take this opportunity to accord my deepest gratitude and extreme indebtedness to my Guide Prof. B.P. Siddhashrama, for sowing the seeds of this work in me. His guidance in my work, as a teacher and advisor played an important role in moulding my ideas and bring it to fruition. I am deeply obliged to him, the encouragement and academic freedom, which he provided me with. I am also highly indebted to the moral support that he lent all thorough the period of my work.

For all the reference that I needed in my research work, The Bangalore City Central Library, Karnataka University Library, Osho Nisarga Meditation Center, Bangalore, Osho Paramartha Meditation Center, Bangalore, Osho International Foundation, Pune, and also the Internet, all provided me with enormous amount of data, information and resources for which I am truly grateful.

I am thankful to my wife Smt. Sumathi for her constant support and encouragement.

Above all this, I would like to express my heartfelt gratitude to my father, mother and sisters whose love and affection helped me pursue my research studies.
