ACKNOWLEDGEMENTS

Thesis writing is not an easy job as it draws heavily upon the resources and contributions of many great scholars, guides, teachers, and well wishers. I am grateful to many individuals who have stimulated and helped me in this work.

With a deep sense of gratitude and everlasting indebtedness, I acknowledge my sincere thanks to my guide Dr. C.A. Somashekharappa, under whose able guidance the present research work is undertaken. But for his inspiring guidance and keen interest in my research work this study would not have taken its present shape.

I am extremely thankful to Dr. A.G. Mudbidri and Dr. U.A. Attar, Professor and Chairman, Department of Studies in Sociology, Karnataka University Dharwad for their constant encouragement.

I gratefully acknowledge the willing co-operation of all my key informants and respondents who patiently answered my questions and without which the present study would not have become feasible.

I am also grateful to the University Grant Commission for its financial assistance in carrying out this research work. I am equally grateful to the Joint Director of Collegiate Education, Government of Karnataka, Dharwad for granting me two years leave to complete my research work under Faculty Improvement Program during IXth plan period.
I shall be failing in my duty if I do not express my gratitude to His Holiness Shri Jagadguru Annadaneshwara Swamiji Saunsthanmath Mundargi for his kind blessing, constant encouragement to do my research work. I sincerely owe a sense of gratitude to the S. J. A. V. Samithil, Mundargi for permitting me to do the research.

I also take this opportunity to express my grateful thanks to Ex-Principal A. B. Hiremath and Principal S. B. Karibharamagoudar for their help, co-operation and constant encouragement.

I gratefully acknowledge the facilities made available to me by the authorities of the Karnatak University Dharwad to carry out my research study.

I further extend my thanks to Dr. A. M. Meti, Dr. Y. S. Meti, Dr. D. L. Kalkutagar, Dr. B. S. Hosalli, Dr. S. K. Koluramath and Shri S. A. Halakeri, Block Health Educator Mundargi for discussing the subject and giving their valuable suggestions at various stages of this research.

My sincere thanks are due to my colleagues and well-wishers Shri. D.C. Math, K. Ramappa, M. J. Hadgali, G. R. Kalburgi, P. G. Hiremath, G. V. Kadadevarmath, S. N. Hiremath, K.V. Hiremath for their constant encouragement and co-operation.

My grateful thanks are due to my friend and well wishers Shri. R. S. Patil for his financial help and constant encouragement during my stay in Dharwad.
It is indeed a pleasure to express my sincere thanks to Prof. M. C. Vastrad, Head of the Dept. of Statistics, Karnatak Arts College, Dharwad for his unreserved help to me in statistical analysis.

My sincere thanks are due to Prof. S. M. Kammar for his final screening of the drafts and to Mr. Shanth kumar, and Mr. Basavaraj P. Hiremath, "Net Café" for typing my thesis neatly and in time.

Last but not least, I cannot afford to ignore my family members, especially my wife Prabhavati, my son Vishwanath, my daughters Annapurnadevi and Shreedevi for their patience and constant encouragement in all my academic endeavors.

Finally, I wish to thank all those who helped me directly or indirectly to complete this work.

DHARWAD.
