ACKNOWLEDGEMENT

The Researcher takes this opportunity to record a deep sense of gratitude to Dr. Noorjehan N Ganihar, Professor and Chairperson, Post graduate Department of Education, Karnataka University Dharwad for giving the investigator the opportunity to undertake this study, giving excellent guidance, moral support and encouragement to make the study a success.

Researcher is highly indebted to her research guide Dr. Shobha S. Nilavar, Associate Professor, University College of Education, Karnataka University Dharwad. Her constant guidance, highly valuable suggestions, generous advice, easy approachability has facilitated the researcher to complete the study successfully on time.

The researcher expresses her deep gratitude to The Principal, S.G. College of Education, Koppal for extending enormous encouragement, motivation, infrastructural support and cooperation.

The researcher is extremely thankful to all the teachers of secondary schools of Koppal district for kindly permitting to collect all the necessary data for the investigation.

The researcher deeply expresses gratitude to her parents Shri Shankaragouda and Smt Ningamma Veeranagoudra, my brother Mr. Shrikanth Veeranagoudra and all my other relatives and friends for their encouragement and moral support.

Researcher feels it genuine to mention the cooperation extended by her husband Shri Hanmareddi S. Bhimareddi who extended full cooperation for the successful completion of the Ph.D. study and remained great source of inspiration.

Last but not the least researcher expresses gratefulness to Smt Ratna S. Bendigeri, for her excellent DTP work and also all well-wishers, who directly or indirectly contributed to accomplish the study.

Dharwad
