ACKNOWLEDGEMENT

At the very beginning, I would like to thank all the Subjects who willingly participated in this research work, without whom this endeavor would not have been fulfilled. I thank the God Almighty for his constant blessings and my beloved ones who are all prayed for me to completing this research work.

I thank Professor, Dr. Anura V Kurpad, Head, Department of Physiology, St John’s Medical College and Head, Division of Nutrition, St. John’s research Institute, Bangalore, for giving me the opportunity to enroll as a doctoral student and also for accepting to be my guide. I am grateful to him for providing me with an environment that honed my research skills with numerous opportunities, freedom to grow and for encouragement and guidance. His excellent guidance at every stage for shaping this work, created a confidence to complete the research work.

I am extremely thank Professor Dr. Paul B Pencharz, Professor Dr. Ron O Ball and Dr. Rajavel Elango, The Hospital for Sick Children, University of Toronto, CANADA, for their collaboration, support and for the training provided to me for IAAO method transfer from their laboratory and Dr. Sumithra M for her great support and guidance.

I thank Dr. G. Ganesan (Director) and Dr. S. Vellaiah (Section officer) of Research and Development centre, Bharathiar University, Coimbatore for providing kind support and guidance to complete the study successfully.

I am extremely grateful to the Head mistress of St. Franciscan School, St. Charles school and St. Mariyanikethan School Bangalore, for permitting me to conduct the study and providing necessary support, help and facilities rendered in carrying out the study successfully.

My special thanks to Mr. Praveen, Miss. Sarita, Mr. Vincent, Dr. Tinku, Miss. Pauline, Dr. Prashanth, Mrs. Vani and all staff at St. John’s Research Institute, College and Hospital for providing necessary support, facilities and help rendered in carrying out the study successfully. Finally, I am highly grateful to loving Mother, Brother, dear wife Saranya and friends Dr. Muthumani, Mr. Jaykumar and Dr. Vikas for their constant encouragement, support and help. I realize that it would be impossible for me to name all those who have contributed to this process in some way or the other. To them all, I owe a great debt of gratitude.
