ACKNOWLEDGEMENTS

I would like to express my sincere thanks with a deep sense of gratitude to my research supervisor Dr. B.D. Kumbar, Reader, Department of Library and Information Science, Karnataka University, Dharwad for his support, guidance and innovative suggestions that I received during the course of this study. His encouragement is indeed a constant source of inspiration to me. Dr. B.D. Kumbar spared his valuable time for me and it is due to his personal and professional involvement and constant encouragement I am able to complete this work.

It is difficult to express in words my gratitude to Dr. C.R. Karisiddappa, President, Indian Library Association(ILA), University Librarian, Professor and Chairman, Department of Library and Information Science, Karnataka University, Dharwad. He significantly contributed in sensitizing me in understanding certain concepts in the field of Measurement and Evaluation of Library and Information Services by involving me in various projects and assignments. He was kind enough to give me his ideas and suggestions from time to time. I sincerely thank him for providing necessary facilities and resources. I would also like to place on record my sincere thanks to Dr. S.L. Sangam, Professor, Department of Library and Information Science, Karnataka University, Dharwad for extending help and encouragement in completing this work.

I will be failing in my duty if I miss to record here the valuable help and encouragement given by Dr. A.Y. Asundi, Professor and Chairman(Rtd.), Department of Library and Information Science, Bangalore University, Bangalore in recasting and remodeling my thesis. His selfless support and critical observation enabled me to bring this thesis to the final stage. I owe a great debt. I also gratefully acknowledge the help of the teaching staff of the Department of Library and Information Science, Karnataka University, Dharwad, especially Dr. R.R. Nalk, and Sri. Keshava, for their co-operation and help. A research
work cannot be carried out in isolation. Many professional colleagues have helped me in various stages of the study, I wish to express my sincere thanks to my colleagues at the library, and I must especially mention Sri. C.G. Mestri, I/c, Deputy Librarian, Sri. M.U. Patil, Sr. Asst. Librarian, Sri. R.M. Vatnal, Sri. G.C. Mathapati, Sri. M.S. Patil, Smt. Anupama Joshi, Sri. M. Raghunandana, and Sri. C. Krishnamurthy. I take this opportunity to thank all the staff members of Prof. S.S. Basavanal Library and Dept. of Library and Information Science, Karnataka University, Dharwad for their consistent encouragement.

I gratefully acknowledge the material sent by Dr. Muttayya Koganuramath, University Librarian, TISS, Mumbai, Dr. T.S. Kumbar, IICT, Ahmedabad, Dr. V.S. Cholin, Sri. K. Prakash, and Sri. H.G. Hosamani, INFLIBNET Centre, Ahmedabad. I sincerely thank my friend, Sri. Satish Kanamadi, Asst. Librarian, TISS, Mumbai for going through the draft of the analysis chapters and making useful suggestions. My grateful thanks are also due to Dr. Basavaraj Donnur, Sr. Lecturer, Dept. of English, K.C.D. for thoroughly checking all the chapters and making corrections and suggestions and Dr. M.N. Meygeri, Lecturer, Dept. of Statistics, for his help, especially in coding the data and programming for SPSS (Software Package for Social Sciences) statistical package.

It is with respect I record here the silent joy my dear mother used to have by observing my work. It is a matter of pride for me to have my life partner Smt. Pushpa who is an embodiment of love and affection. Her boundless love and unresisting sacrifice has made me to work seriously; I thank my mother, wife and an ever-smiling daughter Kum. B. R. Keesha (Kavya).
