Papers Published:-

- Purification and structural characterization of feruloylated xylo-oligosaccharides derived from finger millet (*Eleusine coracana*) arabinoxylans using HPLC-ESI-MS-TOF. Veenashri B R and Muralikrishna G*. To be communicated.

Posters presented at Symposia:-

- “Antioxidant activity of xylooligosaccharides isolated from finger millet (ragi, *Eleusine coracana*) bran”- B. R. Veenashri & G. Muralikrishna-Poster (No; 14) presented at XXIV-National carbohydrate Conference held at Lachoo Memorial College of Science and Technology, Jodhpur, Rajasthan from December 7- 9th 2009- Adjudged the best poster and awarded Young scientist award.

- Purification and characterization of xylo-oligosaccharides derived from finger millet (*Eleusine coracana*) arabinoxylans Veenashri B. R. and Muralikrishna G* Muralikrishna-Poster (No; VP 7) presented at 27th International carbohydrate symposium held at Indian Institute of Science, Bangalore from January 12-17th 2014.
