ACKNOWLEDGEMENTS

I express my profound indebtedness to my supervisor Prof S S Singh, Head, Department of Forestry, Wildlife & Environmental Sciences, Guru Ghasidas Vishwavidyalaya, Bilaspur, Chhattisgarh for his inspiring guidance, analytical powers and much needed critical comments during entire study period.

I pay my deep regards to Prof G S Paliwal, Ex-Head & Dean, Department of Botany, HNB Garhwal University, Srinagar, Garhwal for his constant help and academic encouragement.

I express my deep regards to Prof R P Singh, Professor Emeritus, Department of Forestry, Kumaun University, Nainital and Prof N B Singh, Tree Improvement Department, Dr Y S Parmar University of Horticulture & Forestry, Solan for their valuable guidance and comments.

I also thanks to Mr K C Bebarta, IFS, Chief Conservator of Forest (IT), Raipur, Chhattisgarh for his academic help.

I express my deep sense of gratitude to Dr (Mrs) Sudha Singh, Principal, Kasturba Girls Inter College, Varanasi (U P) for her benign blessing that gave me strength.

I wish to place on record sense of gratitude to Prof S P Singh, Head, Department of Mathematics, Guru Ghasidas Vishwavidyalaya, Bilaspur (C G) and Prof S V S Chauhan, Head, Department of Management Studies, Guru Ghasidas Vishwavidyalaya, Bilaspur (CG) for providing generous help and encouragement.

I pay my thanks to my teachers Dr Rashmi Agarwal, Dr S S Dhuria, Dr S C Tiwari and Dr P R Singh for their valuable suggestions during this work.

I am extremely thankful to Mr Raja Jaiswal for his generous help and valuable suggestions during the prudent investigations.
I am thankful to Mr K S Bais, Mr Arun Singh, Mr Bhaskar Kannoje and Mr Sai Venkateshwar Reddy for extending their support during this work. My thanks are also due to my senior Mr Anand Kumar Singh for their help and co-operation.

I acknowledge the following organizations for their valuable academic support during present study:

(i) National Remote Sensing Centre (NRSC), Hyderabad.
(ii) USGS Information System (U. S. Geological Survey), USA.
(iii) Forest Management Information System Division (FMIS), Raipur, CG.
(iv) State Forest Department, CG.

I am highly obliged to my worthy parents, without their blessings and support this work would not have seen the light of the day.

I express my thanks to my all friends which have helped me during my field observations.

I am also thankful to Mr Subhash Pandey (Dabbu) for patiently typing the manuscript.

(Ajay Kumar Singh)
