ACKNOWLEDGEMENT

In this highly complex society, no work can be accomplished by a single individual but it needs inspiration and sincere gratitude of intellectuals as well as the grace of that Almighty. With limitless humility, I would like to praise and thank ‘GOD’, the merciful, the compassionate, who bestowed me with health, tenacity and courage enough to go through this crucial juncture. I am grateful to “God”, for bestowing me with affectionate parents, whose love, dedication & inspiration encouraged me to undergo higher studies.

With the overwhelming sense of legitimate pride and genuine obligation which gives me exuberant pleasure and privilege to express my eternal gratitude to my learned and revered advisor Dr. S. P. Dixit, Sr. Scientist (Soils), CSK Himachal Pradesh Krishi Vishvavidyalaya, Palampur and Chair Person of my Advisory Committee for his excellent and praiseworthy guidance, keen interest, adroit admonition, juvenile encouragement and parental affection during whole course of my study and particularly at times of research and preparation of this manuscript. With a conscientious supervision, he has saved me from several errors by his frank and unsparing criticism. I shall always remain indebted to him.

I express my sincere gratitude to the worthy members of my advisory committee, Dr. Naveen Datt, Scientist, Department of Soil Science, Dr. G. D. Sharma, Agronomist, Department of Agronomy Forage and Grassland Management, Dr. Usha Rana, Assistant Professor, Department of Plant Physiology and Dr. K. S. Chandel, Senior Scientist, Department of Vegetable Sciences and Floriculture for their inspiring guidance and critical assessment of the manuscript.

I emphatically express my sincere thanks to Dr. K. K. Katoch, Dean, Postgraduate Studies, and Head of the Department of Soil Science, CSK HPKV, Palampur, for extending necessary facilities and guidance during the course of study. I also owe my gratitude to the university authorities for providing necessary facilities and help during the course of investigation.

I also thank to Dr. Sanjay K. Sharma, Dr. Pradeep Kumar and Dr N. K. Sankhyan, Department of Soil Science for their advice during the course of study. Thanks are due to all the teachers of the Department of Soil Science for providing help in one or the other way. My special thanks to Mr. Jagdish Kumar, Devinder Gupta, Trilok Chand, Pradeep Kumar and Manglesh Kumar, Department of Soil Science for their helping hand in the Laboratory as well as in the Field.

I can hardly overlook the co-operation, timely help and moral support extended by the galaxy of my friends Swapana Sepheya, Shweta Shambhavi, Deepanjali, Prabhakar, Akhil, Prabhjot, Moon, Sachu, Pushpinder, Deepak, Negi Sir and Anil Sir juniors especially Anil, Vijay, Upinder, Dhaniya, Babita who boosted me up in periods of mental stress & strain.

All the words in the lexicon will be futile and meaningless, if I fail to divulge my extreme sense of regards to adorable parents (Smt. Sareshtha and Sh. B. R. Dhiman) for their sacrifice, prayers and blessings without which this work would have been a sweet dream.

I take this precious moment to express my deep sentiments and indebtedness to my sisters Sumita and Dipika whose affections, moral support and help lead me to achieve my destination successfully. I shall remain lifelong indebted and can never forget the constant inspiration and affection of my Mother in law, who always inspired me to excel in my field.

The beauty of life is found in people, who love and care, I can never forget the care of my wife Neelam Dhiman for her constant inspiration and encouragement for studies who inspired me to achieve the goal, although she suffered a lot in terms of love and care due to my busy schedule. I owe my affectionate and heartfelt gratitude towards my two and a half year old niece (Harshu) and my one week old daughter for bringing me joy and happiness at the time of thesis submission.
Finally thanks are due to Satish Bhaiya for timely help for the preparation of the manuscript.

Acknowledgements are inherently endless & incomplete, and I request indulgence from many friendly & helpful people whom I could not name here, due to paucity of space.

Needless to say, all omissions and errors are mine.

Place: Palampur

Dated: July 13, 2012.  

(Sushil Dhiman)
