ACKNOWLEDGEMENT

The task of acknowledging the incalculable debt of appreciation, which is owned to many, is a very pleasing facet of thesis writing. It gives me immense pleasure in thanking all those who were associated with me in completion of this work.

Words should be inadequate to convey my deepest gratitude to my supervisor Dr. Anil Kumar Chhillar, Centre for Biotechnology, MD University, Rohtak. With his sagacious advices, understanding, patience, enthusiasm, responsibility, vivid discussions, insight, sensibility, observation, rigor, and above all with his friendly nature, he helped me in appreciating my Ph.D. work. Throughout, he provided me encouragement, good company, and lots more. I shall consider it a privilege to have worked with him.

I owe a deep gratitude towards Prof. S. K. Gakhar, Dean, Life Sciences for providing administrative support & kind cooperation.

I am sincerely thankful to Dr. Rajesh Dabur for providing research facilities of 2-D & LC-MS. I appreciate his expert advice, sparing lots of time during discussion and interpretation of data. Without his kind cooperation this work would have never been possible for me.

I am also thankful Prof. P. K. Jaiwal, Director CBT, MDU, Rohtak and all the faculty members (Dr. P.K. Mehta, Dr. Ritu Gill, Dr. Samander, Dr. S.S. Gill, Dr. N.P. Singh, Dr. Darshana, Dr. Mahesh, Dr. Ajit Kumar, Dr. Harimohan, Dr. Amita) for time to time departmental cooperation.

I am thankful to Dr. Surender Yadav, Department of Botany, MDU, Rohtak, for helping in collection and identification of plant material.

It is a matter of diligence to convey my thanks to my lab-mate Dr. Manish Kumar, Sandeep, Minakshi, Sonam, Anu, Ram Kumar, Neetu,
and other research scholars Ashish, Vikas, Monika for their all time cooperation and moral support during my research work.

I would like to express heartfelt veneration to my beloved family for their support and immutable encouragement throughout my academic carrier.

Words would be inadequate to convey my deepest gratitude to my husband without whom I cannot think of even achieving this thesis. Because of his constant support, guidance, suggestions, co-operation and understanding I have reached here. He always stood by me whenever I needed, this journey would never ever easier without him, thank you doesn’t seem sufficient but it is said with appreciation and respect for him for encouragement, care and friendship. This journey is delightful and memorable because of you.

My sincere thank to all those extend their helping hands in accomplishment of my research work successfully.

Finally, I thank the Almighty who made so many to extend their helping hands in accomplishment of my work successfully.

Anjum Gahlaut
