ACKNOWLEDGEMENT

I feel, a great pleasure in expressing my deep sense of gratitude to Dr. Jayshree Godse, Reader and Head of the Post-graduate Department of Home Science, Government College of Arts and Science, Aurangabad, for her inspiration, valuable guidance and constructive criticism in accomplishing this work with keen supervision, valuable suggestions and constant encouragement given untiredly.

I must put on record my sincere thanks and respect towards Dr. Prabhakar Tayade, principal, Government College of Arts and Science, Aurangabad, for providing the necessary facilities to carry out the work in the college. I would like to put down my deep sense of gratitude and remain indebted to Dr. S. P. Nanir, Principal, Rajaram College, Kolhapur for his constant encouragement and giving me an opportunity for the completion of this work.

I offer my deepest sense of gratitude to Ms. Ulka Shinde, Senior Lecturer and Head, Department of Home Science, Rajaram College, Kolhapur, for her constant encouragement, academic support and valuable discussion regarding this research work.

I am extremely grateful to the Civil Surgeon and District Health Officer of Kolhapur for their direct and indirect co-operation for this study. I must show my sincere feelings of gratitude towards Dr. Chavan, Dr. P. A. Varute (M.S.), Dr. Usha Patankar, Dr. Rajani Bendrikar, Dr.(Mrs.) Varute, Dr. Chougule, Dr. S. G. Patil, Dr. Jagtap and Dr. Karande for their constant help, and providing facilities and continuous discussion without which it would not have been possible for me to complete the present research work.
My cordial thanks to all involved HIV/ AIDS patients and their parents for their constant co-operation and help to the entire study.

I am sincerely thankful to the Collector of Kolhapur district and Shri Arun Dube, Deputy C.E.O., Zilla Parishad, Kolhapur for their administrative help, support and guidance for this work.

I wish to record my deep sense of gratitude towards Dr. Snehalatha Reddy, Associate Dean and Principal and all the staff members in the College of Home Science, M. A. U., Parbhani for their constant encouragement and valuable discussion in my academic and research growth.

I am extremely thankful to all the staff members in the Post-Graduate Department of Home Science, Government College of Arts and Science, Aurangabad for their constant encouragement.

I must put on record my deepest gratitude towards my wife Dr. Archana R. Kamble for her constant inspiration and moral support in the pursuasion of this research work.

I also greatly appreciate my daughter Rainita (Kitta) and Son Rounak (Lucky) for sparing me, otherwise I could have helped them and given them more time.

I must put my sincere feelings of gratitude towards mother, father, father-in-law, mother-in-law, brothers, brother-in-laws, sisters and all relatives, especially Dr. S. G. Jondhale, N. A. Vanjare, R. V. Suryawanshi, Dr. G. R. More, Jagatkar and Acharya family for their encouragement and moral support.

My sincere thanks are also due to my friends and well wishers particularly Dr. R. G. Kapase, Dr. G. M. Chonde, T. K. Udgirkar, B. B. Kadam, K. A. Mali, Ratan Hajare, Smt. S. S. Magdum, Dipti Bharti and Patgaonkar for their moral support and co-operation.
I am extremely grateful to the Librarians and staff members of the libraries of S.N.D.T., Mumbai and Pune, NIRD and NIN, Hyderabad, Shivaji University, Kolhapur and Rajaram College, Kolhapur for making available library facilities for collection of relevant reference material.

I must keep honestly thanks to Dr. Sing, P. M. Salvi and Dr. Mahalle and other staff members of the E.D.P. Unit, TISS, Mumbai for their prompt services in data processing.

Finally, I would like to express my thanks to Mr. Sikander Shaikh, (Kolhapur) and Nitin (Aurangabad) who generously gave their time and produced very neat and tidy D.T.P. work.

Place: Aurangabad
Date: 29-August, 2002

Rajkumar M. Kamble
(Research Student)
