ACKNOWLEDGEMENT

Nothing is possible without God’s favour. I pay thanks with folded hands to him, who gave me strength and knowledge for completing this work. It would not have been possible for me to complete this work without Almighty’s favour and blessings.

The words at my commands are definitely inadequate to express my sincere gratitude to the supervisor for this research work, Dr. Aruna Palta, Principal, Dr. Radha Bai Govt. NavinGirls’College, Raipur, Chhattisgarh for her excellent guidance, moral support, continued inspiration and valuable and constructive suggestions throughout the course of this investigation and preparation of manuscript. Her blessings and sympathetic attitudes overruled all obstacles. Pursuing research under her illuminating and scholarly guidance has been unforgettable and precious experience for me.

I owe my profound gratitude to my Co-Supervisor Dr. Sandhya Verma, Professor and Head of the department of Home science, Govt. Arts & Commerce Girls’ College, Devendra Nagar, Raipur, Chhattisgarh for her invaluable inspiration and support during the entire research work.

The facility provided at the research centre by the Principal, Govt. Arts & Commerce Girls’ College, Devendra Nagar, Raipur during the period of this study is gratefully acknowledged.

My sincere thanks to Dr. Arvind Girolkar, Principal, Govt. D.B. Girls’ P.G. Autonomous College, Raipur for his kind and constant support during the research work.

I acknowledge cooperation received from Dr. J.R. Tiwari, Head of the Department of Home science, Govt. D.B. Girls’ P.G. Autonomous College, Raipur, Chhattisgarh, wherever I needed during the research work.
I am highly indebted to all the women subjects who patiently cooperated me in the entire course of my research work. A word of appreciation goes to Shree Maneesh Dandekar for statistical analysis.

Special tribute is expressed to my father Late Dr J.G.Jha whose dream made me able to step forward in this path. I have no words to express the heartfelt gratitude towards my, esteemed and respected Guru, my mother Smt. Vimla Devi Jha, my brother Dr S.K.Jha & sister in law Smt Alka Jha, for their blessings. I would also like to acknowledge my loving daughter, Ms Anubhuti for her affectionate love and constant encouragement has always been source of inspiration throughout the entire research work.

Finally I cannot resist myself in extending thanks towards everyone who have contributed in my successful completion of manuscript in final shape directly or indirectly.
