Acknowledgement

All praise and thanks are due to Allah, the compassionate, the merciful, for blessing me with strength and guidance to conduct present research work. Without his endless grace and bounty, this endeavor would have been possible. He is the compeller, the creator, the all-knowing and the all-wise.

It is my great pleasure to express immense gratitude to Dr. Abdul Azim, Associate Professor of Physics, NITW for providing their invaluable research support.

I would also like to thanks all participants and Heads of Different Engineering Colleges at Warangal districts, for their consent regarding present research.

I would like to thank all members of Departmental Research Committee School of Studies in Psychology, Pt. Ravishankar Shukla University, Raipur for their cooperation during research.

I would also like to thank all members of institutional ethical clearance committee, Pt. Ravishankar Shukla University, Raipur, especially to Dr. A. K. Pati, Professor, Pt. Ravishankar Shukla University, Raipur, for their ethical guidance of present research.

I would also like to thank all members of research degree committee, Pt. Ravishankar Shukla University, Raipur, especially to Dr. A. K. Shrivastava, Professor, APS, University, Rewa for their valuable suggestion of present research.

Finally, I would like to thank all the people who directly and indirectly contributed me during the execution of my research work.
