ACKNOWLEDGEMENTS

I deem it a rare opportunity to pronounce my deep sense of gratitude and thanks to my research supervisor Dr. K.N. Amruthesh, Asst. Professor & Co-ordinator (CBCS Programme) for his exemplary, which enabled my research efforts to come in shape with meaningful conclusions. He has guided me, stimulated me and helped me in countless ways throughout my studies. His concern and endearing demeanor always encouraged my enthusiasm in research, which otherwise bound to be lackadaisical. His keen interest in my progress would have been unrequited if I had not heeded his remarks of excellence.

I wish to express my sincere gratitude to Professor M.S. Sudarshana, Chairman, Department of Studies in Botany and Board of Studies in Botany, University of Mysore for providing the facilities.

I take this opportunity to record my profuse gratitude to Professor K.A. Raveesha, Professor G.R. Janardhana, Professor Shobha Jagannath and Professor S. Leelavathi for their timely suggestions, constant support and encouragements of inestimable value.

My thanks are also due to Mr. K.M. Jayamaiah, Dr. M.S. Sharada, Dr. Rajkumar H. Garampalli and Dr. M.S. Nalini for their help and cooperation during my stay in the Department.

My special thanks are due to Professor G.R. Shivamurthy, Professor Shankar P. Hosmani, Department of Studies in Botany, Professor H.S. Prakash and Professor S.R. Niranjan, Department of Studies in Biotechnology and Dr. M. P. Sadashiva, Department of Studies in Chemistry, University of Mysore for their kind support and motivation throughout my research.
