ACKNOWLEDGMENT

First and foremost I pay gratitude to Almighty Allah for giving me the strength, wisdom, understanding and knowledge, in fulfilling this goal.

I gratefully acknowledge my reverent and heartiest thanks to my worthy Supervisor, Prof. R.C. Gupta for his nice guidance, concrete suggestions, constructive criticism and fruitful discussions through the execution of the present work, I express my heartfelt gratitude to my co-supervisor, Prof. Santosh Kumari, for her affection, constant encouragement and great help.

It is my profound privilege and pleasure to record my deep sense of thankfulness to Prof. N.S. Atri, Head, Department of Botany, Punjabi University, Patiala, for providing necessary facilities during the course of work.

I want to thank all my esteemed teachers of the Department of Botany for their valuable suggestions and inspiration during the period. Further, the help from the non-teaching staff especially from Herbarium and Library is deeply acknowledged.

Thanks are due to Prof. Dirk Albach, Head, Biodiversity and Evolution of Plants, Carl von Ossietzky University Oldenburg, for his constructive criticism and suggestions in cytomorphology of genus Veronica.

I can't express in words to acknowledge the help from my lab mates Dr. Vivek Sharma, Mr. Harbans Singh, Henna Goyal, Nisha Sharma, Santosh Bala, Vijay Kataria, Akka Mehra, Navjot Kaur, Kuldip Kaur, Shilpa Sharma and Raman.

I owe my sincere thanks to my friends and colleagues Santosh Bala and Vijay Kataria for their nice help throughout the work.

I feel pleasure in naming other friends viz. Abid Ali, Adil Farooq, Aijaz Wachkoo, Barkat Ali, Hilal Rather, Irfan Gul, Mudasir Mir, Mudasir Ah., Muzamil Ah., Parvez Ah., Shahid Ali, Shoiib Dar, Syed Mudassir, Umar Farooq and Yawar Hameed. Although they were not directly related to my work but it was their lovely support that made me sustained and strong during the tough days of my research here. I had been constantly encouraged from other colleagues, Dr. Rifat Raina, Dr. Sajad, Dr. Imtiyaz, Dr. Mushraq, Mr. Irshad, M. Yaseen and especially Mr. Tahir Pandit and Mr. A. Rashid.

Last but not least, I want to acknowledge my parents, since it was the support, prayers and love from my family members that made me successful in accomplishing this aim.
