ACKNOWLEDGEMENT

I take this opportunity of expressing my deepest sense of gratitude to Dr. V. A. Vaidya, Head of the Post Graduate Department of Degree College of Physical Education, U. V. P. Mandal, Amravati, for his valuable guidance and helpful criticism during the course of Research and help in preparation of the manuscript of the thesis.

I am also thankful to Shri P. A. Vaidya, Hony. Gen. Secretary, Shri Hanuman Vyayam Prasarak Mandal, and Dr. S. H. Deshpande, Principal, for sponsoring the present research work by providing all kinds of facilities.

Many many thanks to K. Indu Singh, J. E. Roing Division, Arunachal Pradesh and all other persons who provided all kinds of facilities including lodging and boarding and also full co-operation in data-collection.

The author expresses his high reverence with special thanks to M. D. Mishra, Principal, J. N. V. C. C. pur for allowing to conduct the research work and again thanks to the Principal J. N. V. Bishnupur for providing computer facility.

The researcher cannot proceed further unless he expresses his acknowledgement with many many thanks and good wishes to those players, commoners and organising secretaries of different games and sports, who voluntarily laboured hard through main studies in all sorts of test administrations and without whose
hearty co-operation the collection of sufficient data would have been almost impossible.

My acknowledgements would be incomplete if I do not mention my mother who even during her illness inspired me to go on with my work. I was rather reluctant to have her bedside when she was ill but it was her persistence which pushed me into my higher physical education and then into this research work. I express my deep sense of gratitude to her my expired mother by humbly bowing down to her feet.

February 1995.  

(H. Amuba Singh)  

Research Scholar
