ACKNOWLEDGMENTS

The author is indebted to her research guide Prof. P. RAJASEKHARA REDDY, Department of Statistics, Sri Venkateswara University, Tirupati for his generous support and guidance. The author is highly grateful to him for sparing his valuable time, inspite of his busy work schedule.

The author extends her sincere thanks to Prof. R. Abbalah, Chairman, P.G Board of Studies in Statistics and Prof. M. Venkataramanaiah, Head of the Department of Statistics and other faculty members of the Department of Statistics, Sri Venkateswara University for their encouragement.

The author is largely indebted extends her sincere thanks to Prof.K. Srinivasa Rao, Department of Statistics, Andhra University, Visakhapatnam for his encouragement, valuable discussion and advice. His constant guidance and timely presence were of immense help to me in completing my research work. The author is very much thankful to Prof. J. Lakshminarayana, Prof. M. Vivekananda Murthy and Dr. (Smt.).K. Nirupama Devi, Department of Statistics, Andhra University, Visakhapatnam for their cooperation.

The author is very much thankful and grateful to the Secretary, Rector, Director, Principal of Dr. Lankipalli Bullayya College, Visakhapatnam.

My grateful thanks are due to authorities of libraries of the Sri Venkateswara University and Andhra University permitting me to use their facilities.

The author owes total work to her husband Sri C. Reddy Vishnu Kumar for his continuous encouragement. The author is also thankful to her father-in-law, mother-in-law, her parents and sisters for their continuous support and encouragement.
