Acknowledgement

It gives me pleasure to acknowledge the debt that I owe to many individuals and institutions whose co-operation and help made it possible to complete this research work. It is not possible to list all these names, though I wish, I could do that.

I express my deep sense of gratitude to Dr. S.R. Kirpekar (M.A., M.Sc., M.Ed., Ph.D.) reader, Marathwada College of Education, Aurangabad. He has always inspired, encouraged and directed me, at all stages of the work. He has a penchant for accuracy and neatness. He not only guided me but treated me his friend. He played a part of philosopher not for this thesis but for my life also. Instead of deriving the satisfaction of clearing his debt, I would ever like to be in his debt.

I am very much thankful to the head master Shri B.R. Gosavi, Maharashtra Hindi Vidyalaya, Aurangabad and the management personnel who have given me permission to complete this research work.

I must thank the principal Dr. Mrs. A.G. Pathrikar, Foster Development College of Education, Aurangabad and management personnel for their guidance and extending facilities from their college library.

I am very much thankful to Dr. S. R. Joshi, professor and Head, Department of Mathematics, Yeogeshwari Mahavidyalaya Ambajogai for giving me his valuable time for filling questionnaire, in many discussions and calculations. He helped me in calculating many results on computer. Not only this much but he also inspired me in completing my research work.

I am very much thankful to all my colleagues notably sow. Shroff, Shri. Totade, Shri. Jakhade, Shri Sananse, Shri Waghmare and others for their important and useful guidance and suggestions.

I am also grateful to all staff members of Foster Development College of Education, Aurangabad for taking part in my discussions and giving me valuable suggestions.

I think it necessary to thank all the teachers, parents, head masters,
retired teachers and the persons interested in the field of education who helped me in filling the questionnaire and giving interview, in Marathwada Region.

I am very much thankful to prof. Machindra Chate and Prof. Gopichand Chate, Proprietor of Chate Coaching Classes, who has given me the facility of D.T.P. and xerox work. My sincere thanks are with Shri. Prasad G. Kakde, Smt. Rohini Gopenpallikar and Shri. Raosaheb Wahanule who has done the work of D.T.P. and xerox not only with satisfaction but in time also.

Finally, my sincere thanks are for those who have helped me directly or indirectly in the completion of this research work.

R. V. Tekale
