Acknowledgements

I have great pleasure to express my deep sense of gratitude to my supervising guide, Dr. C.I. Muneera, Professor, Department of Physics, University of Kerala for her valuable guidance and instructive comments at all stages of my work. Her unwavering support throughout the research period for moulding and enriching my research attitude is greatly appreciated.

I express my sincere thanks to Dr. V. Biju, Asst. Professor and Head in-charge, Department of Physics, University of Kerala, Dr. V.K. Vaidyan, Dr.G.Renuka and Dr. S. R. Prabhakaran Nair, former Heads of Department of Physics, and all teaching and non teaching staffs of the Department of Physics, for the help and support given to me.

I owe a lot of special thanks to a number of people and organizations, which supported me to carry out this work. I express my sincere gratitude to Dr. K.S. Bindra, Mr. Vijay Sukla, and Dr. Chandrachur Mukharjee of Raja Ramanna Centre for Advanced Technology, Indore, Dr.G.Umesh, Department of Physics, NIT, Surathkal and Dr. Reji Philip, Associate Professor, Light & Matter Physics Group, Raman Research Institute, Bangalore for the facilities provided to me during the tenure of the work.

It gives me immense pleasure to thank Dr. V. P. Mahadevan Pillai, Professor and Head, Dr. K.G. Gopachandran, Reader, Dept. of Optoelectronics, University of Kerala and Dr. S. Anirudhan, prof and Head, Dept. of Geology, University of Kerala, for sincere and valuable suggestions, and for the experimental facilities provided for the work.

I am very thankful to Ms. Sreeja S, Mr. Louie Frobel, Dr. G. Sreekumar, Mr. Suresh S.R, Mrs. Prasanna kumarai, Mrs. C. Beenakumari and Ms. Varsha Viswanath, my fellow
researchers, for their friendly co-operation, help and support given to me to carry out this work. Special Thanks go to Mr. I. Navas and Mr. Vinod Kumar, for their help during the course of my work. I also acknowledge the help given to me by, Ms. Regeena, Mr. Mathew George and Mrs. Maniammal.

Generous help has also been received from the Librarian, Department of Physics, University of Kerala, Kariavattom; the Librarian, VSSC Thumba; the Librarian, Campus Library; and the Librarian, University Library, University of Kerala, Palayam.

With great enthusiasm and pleasure, I would like to express my deep and profound gratitude to everyone who was by my side throughout the period of my research work. Last, but never least, I would like to thank my family for their valuable support.

Finally, I humbly bow before the almighty God for showering his abundant blessings upon me and giving me the strength and, providing everything in my life when they are needed utmost.

Maya Devi S.
