ACKNOWLEDGEMENTS

Convergent guidance is an indespensible tool for successfully completing any task and I would like assert that this tool was most efficiently worked, during the tenure of this research work. The exclusive guidance, candid suggestions, and above all a caring co-operation by my guide Dr. Zia-ul Hasan Khan, Reader and Head, Department of Biochemistry, Shri Shivaji College, Akola during this work is a memorable asset for me, an asset on which I can look upon with a sense of pride.

Special thanks are due to Dr. Shekhar Chaporkar and Dr. Bharat Char, MAHYCO Research Centre, Jalna (M.S.) for providing certain laboratory facilities.

I am thankful to Mr. Satish Harkude, MAHYCO Research Centre, Jalna (M.S.) for his technical assistance.

With great sence of gratitude, I express my sincere and heartful thanks to Dr. Vitthal Wagh, former Principal, and Dr. Subhas Bhadange, Principal, Shri Shivaji College, Akola for their encourangement.

Friends, although need not to be acknowledged, but still I would like to convey special appreciation to Dr. L. H. Kamble and Dr. Mumtaz Baig, who have been consistantly proved to be a rescue hand for me.

I am highly thankful to Dr. Mangesh Moril, Dr. N.G.V. Rao for providing certain essential material.
I am highly indebted to Mr. Pakhale, Librarian, Indian Agricultural Research Institute, IARI, New Delhi for his kind help in excessing literature.

Mr. Makhdum, Head, Quality Control Department, Maharashtra Insecticides Ltd. (MIL) deserves special thanks for his generous provision of technical grade insecticides used in this study.

I am thankful to Dr. Renuka Rajurkar, for her kind help in initial stages of this work.

Some special motivators are worthy of mentioning particularly among them are friends, Khalid, Dr. Afzal, Shujat, Naim, Zameer, Irfan, Sadat Sb., Shardul, Dr. Shafiq, Imran and Fazal.

The dream of completion of this work wouldn’t have been came true if it was not supported by my loving sister Tahseen Fatema, my caring brother Mohammed Rehan, and our beloved doctor Mohammed Farhan.

A teasing inspiration has been kindly provided by my wife Asfiya, Thank you dear.

My parents are real inspirers, Thank you Abbu and Ammi.

Excellent technical assistance in type setting and printing this thesis by Shri Anay & Ajay Ghotikar, Prop. of Ajay Computers and Printers, is greatly appreciated.
