ACKNOWLEDGEMENTS

Firstly, with profound veneration, I bow in reverence before the 'Waheguru' with whose grace and blessings, I have been able to complete another chapter of my life successfully.

I would like to express my deep, unsound sense of gratitude and obligation to my esteemed supervisor Dr. Puja Ohri, Assistant Professor-cum-Curator, Department of Zoology, Guru Nanak Dev University, Amritsar and Co-supervisor Dr. Renu Bhardwaj, Professor, Department of Botanical & Environmental Sciences, Guru Nanak Dev University, Amritsar for their invaluable support, sincere efforts, keen interest, lively and caring nature, encouragement and dexterous guidance from the initial to the final level that has enabled me to reach this level of academic attainment.

I am highly thankful to Dr. Sanehdeep Kaur, Head, Department of Zoology, Guru Nanak Dev University, Amritsar for her valuable suggestions and timely help and providing access to the necessary research facilities. I also feel immense pleasure to express my deep sense of gratitude and regard to Prof. (Dr.) Satwinder Kaur Dhillon, Prof. (Dr.) Anish Dua, Prof. (Dr.) Arvinder Kaur, Dr. Pooja Chadha and Dr. Ashwani Kumar for their meticulous care and support and persistent efforts in imparting me the knowledge of this rapidly evolving field.

I would like to specially acknowledge Department of Science and Technology (DST), Govt. of India, New Delhi for providing the financial assistance under DST-PURSE Scheme to carry out the present investigation. I would also like to acknowledge Indian Institute of Integrative Medicine (IIIM), Jammu (Council of Scientific and Industrial Research, Govt. of India) for carrying out the analysis of my samples. I also extend my heartfelt gratitude to the Non-teaching staff of the Department of Zoology for their co-operation and help with the administrative work.

I am also thankful to my friends (Ruchi, Harminder, Arti, Prabha, Kapila, Radhika) and Research colleagues and for their selfless support, love, inspiration, help and constant encouragement in my research work. My sincere thanks also go to Dhriti, Harpreet, Shagun for their help and support. It is pleasure to thank my juniors Anjali, Shivam, Ripu Daman for providing pleasant environment in the lab.

I bow my head to my beloved parents for their generous support, positive attitude, interest and self-felt but untold sacrifices for my better and bright future. I shall never be able to express to any degree of satisfaction, my deepest feelings of gratefulness to my husband and all family members for their affection, moral support, unreserved blessings and motivation in even and odd times.
