ACKNOWLEDGEMENT

At the outset, I wish to express my deep sense of gratitude to my guide Dr.N.K.Ambujam, Director, Centre for Water Resources, Anna University Chennai, for her invaluable guidance and inspiration without which it would not have been possible to carry out this research.

I am thankful to the Doctoral Committee members, Dr.S.Mohan, Director, NITTTR, Chennai and Dr.K.Venugopal, Director, Centre for Water Research, Sathyabama University, Chennai for the useful discussions and fruitful interactions throughout the course of my research. I sincerely thank Mr.K.Balasubramanian, Executive Engineer, Chennai Metro Water Supply and Sewerage Board (CMWSSB), Chennai for extending the support throughout the research work.

I am grateful to Dr.Elizabeth Verghese, Chancellor, Hindustan University, Chennai, Dr.Anand Jacob Verghese, Pro-Chancellor, Hindustan University, Chennai, Dr.K.Sarukesi, Vice Chancellor, Hindustan University and Mr.Ashok Verghese, Director, Hindustan Institute of Technology and Science, Chennai, for their encouragement and support during the course of my research.

I am indebted to Dr.R.Angeline Prabavathy, Professor and Head of the Department of Civil Engineering, Hindustan Institute of Technology and Science, Chennai and my colleagues Dr.Jessy Rooby, and Dr.P.S.Joanna, Professors of Civil Engineering for helping me in every possible manner to carry out the research.

I owe a lot to my husband Dr.T.Paul Robert and my children Ms.Keerthana and Ms.Christina for their understanding and moral support.

PRATHEEBA PAUL
